Wayne Koestenbaum

The Andy Warhol Diaries:

The Andy Warhol Diaries Andy Warhol, 2024-09-24 This extraordinarily revealing diary now a Netflix series paints a more penetrating portrait of our time's Glitterati Era than any of Andy's canvases Forbes This international literary sensation turns the spotlight on one of the most influential and controversial figures in modern American culture Filled with shocking observations about the lives loves and careers of the rich famous and fabulous Warhol's journal is endlessly fun and fascinating Spanning the mid 1970s until just a few days before his death in 1987 The Andy Warhol Diaries is a compendium of the more than twenty thousand pages of the artist's diary that he dictated daily to Pat Hackett In it Warhol gives us the ultimate backstage pass to practically everything that went on in the world both high and low He hangs out with everybody Jackie O thinks she's so grand she doesn't even owe it to the public to have another great marriage to somebody big Yoko Ono We dialed F U C K Y O U and L O V E Y O U to see what happened we had so much fun and Princess Marina of I guess Greece along with art world rock stars Jean Michel Basquiat Francis Bacon Salvador Dali and Keith Haring Warhol had something to say about everyone who crossed his path whether it was Lou Reed or Liberace Patti Smith or Diana Ross Frank Sinatra or Michael Jackson A true cultural artifact The Andy Warhol Diaries amounts to a portrait of an artist and an era unlike any other A remarkable literary achievement New York Magazine Warhol on Warhol as dictated by Warhol noble in its obsessiveness New York Times Warhol's observations are rarely less than brilliant Details **The Andy Warhol Diaries** Pat Hackett, 1990-06-01 Uddrag af Andy Warhols dagbøger indtalt på telefon i 1976-1987 [Spy's Exclusive Unauthorized Index to The Andy Warhol Diaries](#), 1989 [New York Magazine](#), 1989-05-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine**, 1992-01-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **America** Andy Warhol, 2023-09-28 *Andy Warhol* Donna M. De Salvo, Jessica Beck (Art museum curator), 2018-01-01 A unique 360 degree view of an incomparable 20th century American artist One of the most emulated and significant figures in modern art Andy Warhol 1928-1987 rose to fame in the 1960s with his iconic Pop pieces Warhol expanded the boundaries by which art is defined and created groundbreaking work in a diverse array of media that includes paintings sculptures prints photographs films and installations This ambitious book is the first to examine Warhol's work in its entirety It builds on a wealth of new research and materials that have come

to light in recent decades and offers a rare and much needed comprehensive look at the full scope of Warhol's production from his commercial illustrations of the 1950s through his monumental paintings of the 1980s Donna De Salvo explores how Warhol's work engages with notions of public and private the redefinition of media and the role of abstraction while a series of incisive and eye opening essays by eminent scholars and contemporary artists touch on a broad range of topics such as Warhol's response to the AIDS epidemic his international influence and how his work relates to constructs of self image seen in social media today

Andy Warhol, Publisher Lucy Mulroney, 2018-10-23 Although we know him best as a visual artist and filmmaker Andy Warhol was also a publisher Distributing his own books and magazines as well as contributing to those of others Warhol found publishing to be one of his greatest pleasures largely because of its cooperative and social nature Journeying from the 1950s when Warhol was starting to make his way through the New York advertising world through the height of his career in the 1960s to the last years of his life in the 1980s Andy Warhol Publisher unearths fresh archival material that reveals Warhol's publications as complex projects involving a tantalizing cast of collaborators shifting technologies and a wide array of fervent readers Lucy Mulroney shows that whether Warhol was creating children's books his infamous boy book for gay readers writing works for established houses like Grove Press and Random House helping found Interview magazine or compiling a compendium of photography that he worked on to his death he readily used the elements of publishing to further and disseminate his art Warhol not only highlighted the impressive variety in our printed culture but also demonstrated how publishing can cement an artistic legacy

Andy Warhol Gary Indiana, 2010-06-29 In the summer of 1962 Andy Warhol unveiled 32 Soup Cans in his first solo exhibition at the Ferus Gallery in Los Angeles and sent the art world reeling The responses ran from incredulity to outrage the poet Taylor Mead described the exhibition as a brilliant slap in the face to America The exhibition put Warhol on the map and transformed American culture forever Almost single handedly Warhol collapsed the centuries old distinction between high and low culture and created a new and radically modern aesthetic In *Andy Warhol and the Can that Sold the World* the dazzlingly versatile critic Gary Indiana tells the story of the genesis and impact of this iconic work of art With energy wit and tremendous perspicacity Indiana recovers the exhilaration and controversy of the Pop Art Revolution and the brilliant tormented and profoundly narcissistic figure at its vanguard

Andy Warhol Wayne Koestenbaum, 2015-02-17 An intimate depiction of the visionary who revolutionized the art world A man who created portraits of the rich and powerful Andy Warhol was one of the most incendiary figures in American culture a celebrity whose star shone as brightly as those of the Marilyns and Jackies whose likenesses brought him renown Images of his silvery wig and glasses are as famous as his renderings of soup cans and Brillo boxes controversial works that elevated commerce to high art Warhol was an enigma a partygoer who lived with his mother an inarticulate man who was a great aphorist an artist whose body of work sizzles with sexuality but who considered his own body to be a source of shame In critic and poet Wayne Koestenbaum's dazzling look at Warhol's life the author inspects the roots of Warhol's aesthetic

vision including the pain that informs his greatness and reveals the hidden sublimity of Warhol's provocative films. By looking at many facets of the artist's oeuvre—films, paintings, books—Happenings Koestenbaum delivers a thought-provoking picture of pop art's greatest icon.

The Religious Art of Andy Warhol Jane D. Dillenger, 2001-02-01 Two images of Andy Warhol exist in the popular press: the Pope of Pop of the Sixties and the partying fright-wigged Andy of the Seventies. In the two years before he died, however, Warhol made over 100 paintings, drawings, and prints based on Leonardo da Vinci's *The Last Supper*. The dramatic story of these works is told in this book for the first time. Revealed here is the part of Andy Warhol that he kept very secret: his lifelong church attendance and his personal piety. Art historian and curator Jane Daggett Dillenger explores the sources and manifestations of Warhol's spiritual side, the manifestations of which are to be found in the celebrated paintings of the last decade of Warhol's life: his Skull paintings, the prints based on Renaissance religious artwork, the Cross paintings, and the large series based on *The Last Supper*.

Concerning Consequences Kristine Stiles, 2016-03-21 Kristine Stiles has played a vital role in establishing trauma studies within the humanities. A formidable force in the art world, Stiles examines the significance of traumatic experiences both in the individual lives and works of artists and in contemporary international cultures since World War II. In *Concerning Consequences*, she considers some of the most notorious art of the second half of the twentieth century by artists who use their bodies to address destruction and violence. The essays in this book focus primarily on performance art and photography. From war and environmental pollution to racism and sexual assault, Stiles analyzes the consequences of trauma as seen in the works of artists like Marina Abramovic, Pope L, and Chris Burden. Assembling rich intellectual explorations on everything from Paleolithic paintings to the Bible's patriarchal legacies to documentary images of nuclear explosions, *Concerning Consequences* explores how art can provide a distinctive means of understanding trauma and promote individual and collective healing.

Warhol's Working Class Anthony E. Grudin, 2017-10-20 This book explores Andy Warhol's creative engagement with social class. During the 1960s, as neoliberalism perpetuated the idea that fixed classes were a mirage and status an individual achievement, Warhol's work appropriated images, techniques, and technologies that have long been described as generically American or middle class. Drawing on archival and theoretical research into Warhol's contemporary cultural milieu, Grudin demonstrates that these features of Warhol's work were in fact closely associated with the American working class. The emergent technologies Warhol conspicuously employed to make his work—home projectors, tape recorders, film, and still cameras—were advertised directly to the working class as new opportunities for cultural participation. What's more, some of Warhol's most iconic subjects—Campbell's soup, Brillo pads, Coca-Cola—were similarly targeted, since working-class Americans, under threat from a variety of directions, were thought to desire the security and confidence offered by national brands. Having propelled himself from an impoverished childhood in Pittsburgh to the heights of Madison Avenue, Warhol knew both sides of this equation: the intense appeal that popular culture held for working-class audiences and the ways in which the advertising industry hoped to

harness this appeal in the face of growing middle class skepticism regarding manipulative marketing Warhol was fascinated by these promises of egalitarian individualism and mobility which could be profound and deceptive generative and paralyzing charged with strange forms of desire By tracing its intersections with various forms of popular culture including film music and television Grudin shows us how Warhol's work disseminated these promises while also providing a record of their intricate tensions and transformations

Lou Reed Anthony DeCurtis, 2017-10-10 The essential biography of one of music's most influential icons Lou Reed As lead singer and songwriter for the Velvet Underground and a renowned solo artist Lou Reed invented alternative rock His music at once a source of transcendent beauty and coruscating noise violated all definitions of genre while speaking to millions of fans and inspiring generations of musicians But while his iconic status may be fixed the man himself was anything but Lou Reed's life was a transformer's odyssey Eternally restless and endlessly hungry for new experiences Reed reinvented his persona his sound even his sexuality time and again A man of contradictions and extremes he was fiercely independent yet afraid of being alone artistically fearless yet deeply paranoid eager for commercial success yet disdainful of his own triumphs Channeling his jagged energy and literary sensibility into classic songs like Walk on the Wild Side and Sweet Jane and radically experimental albums alike Reed remained desperately true to his artistic vision wherever it led him Now just a few years after Reed's death Rolling Stone writer Anthony DeCurtis who knew Reed and interviewed him extensively tells the provocative story of his complex and chameleonic life With unparalleled access to dozens of Reed's friends family and collaborators DeCurtis tracks Reed's five decade career through the accounts of those who knew him and through Reed's most revealing testimony his music We travel deep into his defiantly subterranean world enter the studio as the Velvet Underground record their groundbreaking work and revel in Reed's relationships with such legendary figures as Andy Warhol David Bowie and Laurie Anderson Gritty intimate and unflinching Lou Reed is an illuminating tribute to one of the most incendiary artists of our time

Andy Warhol's Mother Elaine Rusinko, 2024-11-19 While biographers of Andy Warhol have long recognized his mother as a significant influence on his life and art Julia Warhola's story has not yet been told As an American immigrant who was born in a small Carpatho Rusyn village in Austria Hungary in 1891 Julia never had the opportunity to develop her own considerable artistic talents Instead she worked and sacrificed so her son could follow his dreams helping to shape Andy's art and persona Julia famously followed him to New York City and lived with him there for almost twenty years where she remained engaged in his personal and artistic life She was well known as Andy Warhol's mother even developing a distinctive signature with the title that she used on her own drawings Exploring previously unpublished material including Rusyn language correspondence and videos Andy Warhol's Mother provides the first in depth look at Julia's hardscrabble life her creative imagination and her spirited personality Elaine Rusinko follows Julia's life from the folkways of the Old Country to the smog of industrial Pittsburgh and the tumult of avant garde New York Rusinko explores the impact of Julia's Carpatho Rusyn culture Byzantine Catholic faith

and traditional worldview on her ultra modern son the quintessential American artist This close examination of the Warhola family s lifeworld allows a more acute perception of both Andy and Julia while also illuminating the broader social and cultural issues that confronted and conditioned them **Translating Warhol** Reva Wolf,2024-07-11 The first study of the translations of Andy Warhol s writing and ideas Translating Warhol reveals how translation has alternately censored exposed or otherwise affected the presentation of his political and social positions and attitudes and in turn the value we place on his art and person Andy Warhol is one of the most influential artists of the 20th century and a vast global literature about Warhol and his work exists Yet almost nothing has been written about the role of translations of his words in his international reputation Translating Warhol fills this gap developing the topic in multiple directions and in the context of the reception of Warhol s work in various countries The numerous translations of Warhol s writings words and ideas offer a fertile case study of how American art was and is viewed from the outside Both historical and theoretical aspects of translation are taken up and individual chapters discuss French German Italian and Swedish translations Warhol s translations of his mother s native Rusyn language and culture the Indian artist Bhupen Khakhar s performative translations of Warhol and Warhol as translated for documentary television Translating Warhol offers a fascinating multi faceted perspective on Warhol contributing to our understanding of his place in history as well as to translation theory and inter cultural exchange *Proust/Warhol* David Carrier,2009 Proust Warhol Analytical Philosophy of Art employs three key intellectual tools the aesthetic theory of Arthur Danto the account of Proust by Joshua Landy and the analysis of the art of living by Alexander Nehamas Proust Warhol concludes with a discussion of an issue of particular importance for Warhol the relationship between art and fashion Jacket

Andy Warhol and the Can that Sold the World Gary Indiana,2010-02-09 After Andy Warhol unveiled 32 Soup Cans in 1962 neither America nor the art world would ever be the same Indiana offers a witty and opinionated biography of a momentous work of art and its deeply troubled creator 20 b w photos *The Lonely City* Olivia Laing,2016-03 There is a particular flavor to the loneliness that comes from living in a city surrounded by thousands of strangers This roving cultural history of urban loneliness centers on the ultimate city Manhattan that teeming island of gneiss concrete and glass How do we connect with other people particularly if our sexuality or physical body is considered deviant or damaged Does technology draw us closer together or trap us behind screens Laing travels deep into the work and lives of some of the century s most original artists in a celebration of the state of loneliness *Regarding Warhol* Mark Lawrence Rosenthal,Marla Prather,Ian Alteveer,Rebecca Lowery,Polly Apfelbaum,John Baldessari,Vija Celmins,Chuck Close,Robert Gober,Hans Haacke,Alfredo Jaar,Deborah Kass,Alex Katz,Jeff Koons,Metropolitan Museum of Art (New York, N.Y.),Julian Schnabel,Andy Warhol Museum,Ryan Trecartin,Luc Tuymans,2012 This sumptuous volume presents the first full scale exploration of warhol s tremendous influence across the generations of artists that have succeeded him Warhol brought to the art world a unique awareness of the relationship that art might have with popular consumer culture and tabloid news with celebrity and with

sexuality Each of these themes is explored through visual dialogues between Warhol and some sixty artists among them John Baldessari Vija Celmins Gilbert George Felix Gonzalez Torres Robert Gober Nan Goldin Damien Hirst Alfredo Jaar Deborah Kass Alex Katz Jeff Koons Barbara Kruger Glenn Ligon Robert Mapplethorpe Vik Muniz Takashi Murakami Bruce Nauman Cady Noland Elizabeth Peyton Sigmar Polke Richard Prince Gerhard Richter Ed Ruscha Cindy Sherman and Luc Tuymans These juxtapositions not only demonstrate Warhol's overt influence but also suggest how artists have either worked in parallel modes or developed his model in dynamic new directions Featuring commentary by many of the world's leading contemporary artists as well as a major essay by the celebrated critic Mark Rosenthal and an extensive illustrated chronology Regarding Warhol is an outstanding publication that will be essential reading for anyone with an interest in contemporary art

Reviewing **The Andy Warhol Diaries**: Unlocking the Spellbinding Force of Linguistics
