Bennett, 2018-10-10

Leadership is an accessible introductory textbook for nursing health and social care students seeking to develop their leadership skills Offering practical advice underpinned by theoretical perspectives the book will help you to understand the principles of effective leadership and apply them to your own practice You will learn What leadership is and what skills and qualities you need to become an effective leader About leadership within the cultural context of your work environment How to use leadership skills to influence outcomes in the workplace The importance of the leader as a catalyst for change How leaders influence policy development How to identify your own strengths and weaknesses and create an action plan to develop your emerging leadership skills This book will kick start your leadership journey in health and social care and help you to exhibit and unleash your leadership potential I believe this book will help me to develop my leadership skills and give me a background knowledge on how leadership can be influenced by other factors and the skills needed to be an effective leader within my own career which I feel every student reading this book would benefit from Review on studentnurseandbeyond.co.uk April 2019 This title is an updated and revised version of *Leadership in Health and Social Care* an introduction for emerging leaders published in 2012 Essentials is a series of accessible introductory textbooks for students in nursing health and social care New and forthcoming titles in the series The Care Process Communication Skills Mental Health Promoting Health and Wellbeing Research and Evidence based Practice Study Skills *Leadership Secrets from the Proverbs* Robert A. Yost, 2013-07-26 The book of Proverbs is a cornucopia of practical wisdom on a variety of topics The insights and truths covered in this book of ancient Hebrew Wisdom literature run the gamut including the nature of true wisdom and understanding vices and virtues relationships and roles priorities planning for the future how to communicate and how to manage one's resources In recent decades the book of Proverbs has increasingly become the focus of attention for Christians who wish to live lives more in tune with God's principles In particular Christian thinkers have begun to correlate biblical principles with the study of effective leadership Yost examines the subject of godly leadership by using the book of Proverbs as his springboard This is a scholarly yet deeply devotional study of the leader's priorities the leader's plans and the leader's speech Once you have read this book you will never look at the book of Proverbs or the subject of leadership the same way again *Culture and Gender in Leadership* J. Rajasekar, L. Beh, 2013-10-18 The overall aim of this volume is to present the research studies carried out in the Middle East and Asia in the fields of culture and gender and their influence on leadership in particular The cultures and practices of these geographical regions are very much varied and this book *Culture and Gender in Leadership Perspectives from the Middle East and Asia* brings together analyses of these themes in selected countries of these two regions The chapter authors use detailed descriptions case studies and vignettes to speak to the

cultural relativism and gender in leadership in these countries and provide a unique and comparative perspective drawn from their own cultures This volume also contributes to the development of theory and empirical research found in these regions and through the collective efforts presented in this book attempts to strengthen the body of knowledge and practice in the fields of culture and gender in leadership As Asia is becoming the engine of economic growth for the world and Arab Spring is opening up new vistas in the Middle East this book is a must read Building Tomorrow's Leaders Today Michael A.

Genovese,2013-12-04 This book focuses on leadership what it is how it works and how complex multi layered and multi dimensional it is and how it will change in the years ahead If we are to build tomorrow s leaders today we need to anticipate what skills temperaments and specific competencies will be valuable as we face future needs If the past is a predictor of the future the world of tomorrow will be characterized by rapid change new technology greater diversity increased globalization and the need for lifelong learning As a political scientist and presidential scholar Michael Genovese incorporates a wide range of disciplinary perspectives and research on leadership in this book to give students practitioners and leadership scholars a welcome and engaging look to the future
