Davis,Phillip S. Greenwalt,2019-02-20 An essential addition to serious students libraries detailing the historic military offensive that helped sway the outcome of the American Civil War Civil War News In the late summer of 1864 Union General in Chief Ulysses S Grant set one absolutely unconditional goal to sweep Virginia s Shenandoah Valley clean and clear His man for the job Maj Gen Little Phil Sheridan a temperamental Irishman who d proven himself just the kind of scrapper Grant loved The valley had

already played a major part in the war for the Confederacy as both the location of major early victories against Union attacks and as the route used by the Army of Northern Virginia for its invasion of the North culminating in the battle of Gettysburg But when Sheridan returned to the Valley in 1864 the stakes heightened dramatically For the North the fragile momentum its war effort had gained by the capture of Atlanta would quickly evaporate For Abraham Lincoln defeat in the Valley could mean defeat in the upcoming election And for the South its very sovereignty lay on the line Here historians Davis and Greenwalt weave an excellent summary of the campaign that will serve to introduce those new to the Civil War to the events of that Bloody Autumn and will serve as a ready refresher for veteran stompers who are heading out to visit those storied fields of conflict Scott C Patchan author of *The Last Battle of Winchester*

Goochland County [Virginia] Road Orders, 1728-1744. Published with Permission from the Virginia Transportation Research Council (A Cooperative Organization Sponsored Jointly by the Virginia Department of Transportation and the University of Virginia

Virginia Genealogical Society, 2009-05-01 The establishment and maintenance of public roads were among the most important functions of the county court during the colonial period in Virginia Each road was opened and maintained by an overseer or surveyor of the highways who was appointed each year by the Gentlemen Justices The overseer was usually assigned all the able bodied men the Labouring Male Tithables living on or near the road These laborers then furnished their own tools wagons and teams and were required to work on the roads for six days each year County court records relating to roads and transportation are collectively known as road orders The Virginia Transportation Research Council's published volumes of road orders and related materials contain not only information on early roads but also the names of inhabitants who lived and worked along the roadways plantations farms landmarks landforms and bodies of water Much of this information is found nowhere else in early records making these publications invaluable not only to historical and cultural resources research but also to other disciplines including social history preservation planning environmental science and genealogy Published with permission from the Virginia Transportation Research Council a cooperative organization sponsored jointly by the Virginia Department of Transportation and the University of Virginia

Markets and the Environment, Second Edition Nathaniel O. Keohane, Sheila M. Olmstead, 2016-01-05 A clear grasp of economics is essential to understanding why environmental problems arise and how we can address them Now thoroughly revised with updated information on current environmental policy and real world examples of market based instruments The authors provide a concise yet thorough introduction to the economic theory of environmental policy and natural resource management They begin with an overview of environmental economics before exploring topics including cost benefit analysis market failures and successes and economic growth and sustainability Readers of the first edition will notice new analysis of cost estimation as well as specific market instruments including municipal water pricing and waste disposal Particular attention is paid to behavioral economics and cap and trade programs for carbon Publisher's web site [The 50s: The Story of a Decade](#) The
