Modern Love David Shumway, 2003-08 My ideas of romance came from the movies said Woody Allen and it is to the movies as well as to novels advice columns and self help books that David Shumway turns for his history of modern love *Modern Love* argues that a crisis in the meaning and experience of marriage emerged when it lost its institutional function of controlling the distribution of property and instead came to be seen as a locus for feelings of desire togetherness and loss Over the course of the twentieth century partly in response to this crisis a new language of love intimacy emerged not so much replacing but rather coexisting with the earlier language of romance Reading a wide range of texts from early twentieth century advice columns and their late twentieth century

antecedent the relationship self help book to Hollywood screwball comedies and from the relationship films of Woody Allen and his successors to contemporary realist novels about marriages Shumway argues that the kinds of stories the culture has told itself have changed Part layperson s history of marriage and romance part meditation on intimacy itself *Modern Love* will be both amusing and interesting to almost anyone who thinks about relationships and who doesn t *An Emotional History of the United States* Peter N. Stearns, Jan Lewis, 1998 Emotions lie at our very core as human beings How we process and grapple with our emotions how and what we emote and how we respond to the emotions of others constitute the essence of our social universe In a very real sense we exist only through the prism of our emotions And yet the profound effect of human emotion on history politics religion and culture remains underexamined While the influence of emotion in such realms as American foreign policy has been well documented other emotional aspects of American history have escaped notice What role for instance does emotion have in the practice of African American religion How do shame and self hatred influence American conceptions of identity How does our emotional life change as we age To what degree is American consumerism driven by basic human emotion With this landmark anthology historians Peter N Stearns and Jan Lewis provide a road map of the American emotional landscape From the emotional world of working class Massachusetts to the prayers of evangelical and pentecostal women and the gendered nature of black rage these essays provide a multicultural snapshot of the unique nature and evolution of American emotions **The Lost Masters** Curt Sampson, 2010-06-15 Of all the games ever played in a sporting competition never has an event been so bizarre and yet so fitting for its historical moment the 1968 Masters Anger gripped America s heart in April 1968 Vietnam and a bitter presidential contest sharpened the divides between races and generations while protests and violence poisoned the air Then an assassin s bullet took the life of Dr Martin Luther King Jr Cities burned The smoke had barely cleared when the Masters began Never was the country more ready for distraction and escape but could the orderly annual excitement of Palmer versus Nicklaus provide it For a while it could and it did except that instead of a duel between golf s superstars several unlikely members of the chorus stepped forward with once in a lifetime performances There was blunt talking Bob Goalby a truck driver s son from Illinois and former star football player loveable Roberto De Vincenzo from Argentina who charmed the galleries and media all week and Bert Yancey a Floridian who d dropped out of West Point to face his private demons of mental illness Just as the competition reached a thrilling crescendo it all fell apart The Masters the best run tournament in the world devolved into a heart wrenching tangle of rules responsibility and technicality In a fascinating narrative that stops in Augusta Buenos Aires and Belleville Illinois bestselling author Curt Sampson finds the truth behind The Lost Masters It s a story you ll never forget [The Affair: Week 2](#) Beth Kery, 2014-09-23 FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF WHEN I M WITH YOU AND BECAUSE YOU ARE MINE The Affair continues from New York Times bestselling author Beth Kery as a man s secret leaves an innocent woman exposed vulnerable and desperate The Affair Week Two Emma is unlike anyone he s ever known fresh and surprising

sweet yet intensely sensual He knew he shouldn't touch Emma but he's a Montand after all Strong sexual appetites and selfishness run in his blood no matter how much he'd wish otherwise for Emma's sake Emma can't help but feel somewhat compromised by the impulsive sexual tryst she shared with her billionaire employer but Emma has to admit she wanted it Besides working in Montand's sprawling mansion as a hospice nurse to Montand's stepmother Emma anticipated a few surprises Still she never expected what came next an exquisite gift an apology and a proposition a sexual affair that promises to fulfill every fantasy Emma ever had And a few she never dared imagine But a deathbed revelation from Montand's stepmother is about to shatter every illusion Emma had about her position at the Breakers her future with Montand and her own innocence Includes a bonus excerpt of Beth Kery's *Because You Are Mine* More to come Don't miss *The Affair* Week 3 Praise for Beth Kery Recipient of the All About Romance Reader Poll for Best Erotica Wicked good storytelling Jaci Burton Addictive and delicious USA Today Beth Kery is the New York Times bestselling author of *Because You Are Mine* When I'm with You and *Exposed to You* Shoe Retailer and Boots and Shoes Weekly, 1903 *The Publishers Weekly*, 1903 **A**
