would never drive a race car and see the checkered flag wave College was out of the question because he just wasn't smart enough At least that's what the teachers told him Only a God who was unusually cruel would shatter the dreams of a little boy by creating him defective It was the only explanation that made any sense and it was a crushing blow If God didn't care about him why should he care about himself And so began Charlie's freefall into a world of negative self talk and ultimately addiction A self destructive plummet that would see him cheat death twice as he marched to the precipice of suicide Raw and brutally honest Tripping into the Light is a tale of soaring triumphs and heartbreaking defeat It illustrates the power of true love and the undying spirit of hope It is about one man's willingness to try just one more time when it seemed all was lost Through Charlie's eyes we see that all things are possible if we are willing to roll up our sleeves and do the work www.TrippingIntoTheLight.com
