The Alpha's Luna Cameron Reed,2025-01-29 What if the one person destined to be

your soulmate didn't even know you existed. What if you were always there standing right in front of them yet you remained invisible, a ghost in their world, a shadow in their life. This is the haunting reality for Zan, a quiet and overlooked omega in a pack ruled by power, strength, and dominance. While the pack thrives under the leadership of the alpha's son, Averick Carson, Zan fades into the background, unnoticed and forgotten. Averick is everything Zan is not: charismatic, powerful, and revered. He is the alpha's alpha, the champion of champions, the embodiment of perfection in the eyes of the pack. His presence commands attention, his every move celebrated, his every word obeyed. But for Zan, Averick is more than just the pack's golden boy. He is the one Zan has secretly admired, loved, and longed for from afar. Yet no matter how close Zan gets, he remains invisible, a mere whisper in the cacophony of Averick's life. As the omega of the pack, Zan is accustomed to being ignored, to living in the shadows. Most of the pack doesn't even know he exists, and those who do see him as nothing more than a footnote in their world of strength and hierarchy. But beneath Zan's quiet exterior lies a heart full of longing, a soul yearning to be seen and a love that burns brighter than anyone could imagine. When the tides of fate begin to shift and the pack faces challenges that threaten their very existence, the lines between strength and weakness, power and vulnerability, begin to blur. Will Averick finally see the one who has always been there, standing silently by his side? Will he recognize the depth of Zan's loyalty, the strength of his heart, and the love that has endured in silence for so long? Or will Zan remain forever in the shadows, a forgotten soul in a world that values only the strongest?
