mans journey from defendant to defense attorney a window into the inner workings of one of Miami s most notorious drug rings and a chilling portrait of the streets that Americas poverty stricken youth call home The hood is an addiction An addiction that pulls as seductively and fiercely as the drugs hustled on its streets And living in it is a daily exercise in survival Raised impoverished in the streets of Miami David Lee Windecher was only eleven years old when he was arrested for shoplifting It didn t seem like a big deal at the time deciding to take what he believed he deserved But that was the beginning for David That was the day he started thinking like a hustler He could stop waiting for the scales to tip in his favor He could stop going without He could take what life denied him And he did For the next seven years David fought bitterly against his circumstances at the side of his gang affiliate brothers It began with selling dope to help his family eat but pulled into the dark seductive life of violence drugs money and notoriety David lost himself to the game Before he turned eighteen he had built and masterminded a crime ring had been arrested thirteen times and fought daily wars against rival gangs and dirty cops But deep inside of David an idealistic boy still dreamed of becoming an attorney and fighting for justice despite race He was just waiting for someone to believe he existed
