The Arrival Of Richard Iii English Edition:

Richard III: Classic Histories Series Michael Hicks,2011-10-24 Richard III has been written off in history as one of England's evil kings His usurpation of the throne from his nephew Edward V and then subsequent generations of pro Tudor historians ensured his fame as the disfigured murderer portrayed by Shakespeare In the twentieth century Richard found his apologists those who saw him as more sinned against than sinning This biography by the leading expert on Richard strips away the propaganda of the centuries to rescue Richard from his critics and supporters alike providing a balanced and compelling portrait of this most infamous of kings *Richard III's 'Beloved Cousyn'* John Ashdown-Hill,2012-05-30 In 1455 John Howard was an untitled and relatively obscure Suffolk gentleman Thirty years later at the time of his death at the Battle of Bosworth Field he was Earl Marshal Duke of Norfolk Lord Admiral and a very rich man and his direct descendant is Duke of Norfolk today How had Howard attained these elevations Through his service to the House of York and in particular to King Richard III during the setting aside of Edward V John Ashdown Hill examines why Howard chose to support Richard even ultimately at the cost of his life what secrets he knew about Edward IV what he had to do with the fate of the Princes in the Tower and what naval innovations hitherto ascribed to the Tudors he promoted Based on original research and containing previously unpublished material Richard III's Beloved Cousyn is an important contribution to Ricardian scholarship The Mythology of Richard III John Ashdown-Hill,2015-04-15 John Ashdown Hill whose research was instrumental in the discovery of Richard III's remains explores and unravels the web of myths around Richard III **history of king richard III** Thomas More (Sir, Saint),Richard S. Richard III** William Shakespeare, 1880 **Richard II** Christopher Fletcher, 2010-10-07 Richard II 1377-99 has long suffered from an unusually unmanly reputation Over the centuries he has been habitually associated with lavish courtly expenditure absolutist ideas Francophile tendencies and a love of peace all of which have been linked to the king's physical effeminacy Even sympathetic accounts have essentially retained this picture merely dismissing particular facets of it or representing Richard's reputation as evidence of praiseworthy dissent from accepted norms of masculinity Christopher Fletcher takes a radically different approach setting the politics of Richard II's reign firmly in the context of late medieval assumptions about the nature of manhood and youth This makes it possible not only to understand the agenda of the king's critics but also to suggest a new account of his actions Far from being the effeminate tyrant of historical imagination Richard was a typical young nobleman trying to establish his manhood and hence his authority to rule by thoroughly conventional means first through a military campaign and then fatally through violent revenge against those who attempted to restrain him The failure of Richard's subjects to support this aspiration produced a sequence of conflicts with the king in which his opponents found it convenient to ascribe to him the conventional faults of youth These critiques derived their force not from the king's real personality but from the fit between certain contemporary assumptions about youth effeminacy and masculinity on the one hand and the actions of Richard's government constrained by difficult and complex circumstances on the other The Politics of Pearl John M. Bowers, 2001 Close analysis of the poem reveals extensive allusion to contemporary social religious and political events HSC Advanced English Barry Spurr, 2009 This guide contains an introduction to the new course plus exam tips comprehensive summary and discussion of each text in the Advanced English course including Area of Study and Advanced English Modules a list of key issues to consider in each chapter related to the relevant syllabus area helpful advice on how to read different types of texts and plot outlines character discussion and interpretations Publisher description **Richard III as Duke of Gloucester and King of England** Caroline HALSTED, 1844 **Richard III., as Duke of Gloucester and King of England** Caroline Amelia Halsted, 1844
