As an Equal? Rosie Cox,Nicky Busch,2018-11-15 Au pairs are relied upon by tens of thousands of UK families to do everything from childcare and housework to elder care pet feeding and waiting at dinner parties Traditionally thought of as privileged and well educated young women having fun on a gap year abroad au pairs have been excluded from many of the recent discussions on migrant domestic labour However since 2008 au pairing has been effectively unregulated in the UK and the result is that au pairs now constitute one of the poorest paid and least protected groups of workers Through an examination of lived experiences *As an Equal* draws on detailed research to examine au pairs and the families who host them in contemporary Britain revealing au pairing to have become increasingly indistinguishable from other forms of domestic labour Crucially hosting an au pair is shown to form part of families attempts to provide good

enough childcare in the context of extended working hours and poor public childcare provision This increased reliance of families on an exploited workforce is shown to form part of the wider political climate of economic austerity and raises profound questions about the position of women within the neoliberal economy *The Nanny Book* Susan Carlton, Coco Myers, 2025-06-25 Hiring a nanny and getting along with her afterward may be one of the most important things that parents do yet many of us approach the whole business with fear and trembling or at least a lot of questions Even parents who may manage dozens of employees at work can be at a loss when it comes to dealing with the person who will be looking after their children Nanny au pair caregiver no matter the term the thorny issues remain the same How do you find someone you like and trust Should you invite the nanny to Thanksgiving dinner When should you raise her fee and by how much What should you do when the au pair is a flirt How do you sort out the laundry and other chores Nanny surveillance should you spy The Nanny Book provides real down to earth solutions for almost every conceivable issue or problem Filled with advice gleaned through interviews with families and nannies this book will turn parents into their own experts Other books focus almost exclusively on hiring a caregiver The Nanny Book is the only guide that gives smart parent tested solutions to those sticky situations that can make or break the relationship **Invasion of Privacy** Ian Sutherland, 2015 Your private life is streamed live to a global audience But no one told you about the cameras hidden in your home And now a killer is watching learning planning The brutal murder of a beautiful young cellist has stumped DI Jenny Price How did the killer know the victim's most intimate dreams to lure her so convincingly to her death Out of leads Jenny reluctantly accepts the aid of antisocial but attractive witness Brody Taylor who has come forward with a bizarre theory about hidden webcams broadcasting online from thousands of homes across the country But Jenny is unaware that the charming Brody is under cover on his own covert operation An up to the minute crime thriller that exposes the dark side of life online WHAT OTHERS SAY ABOUT INVASION OF PRIVACY I am a little sad it is over but still buzzing from the superb finale Looking forward to the next adventure Sutherland deftly weaves dramatic humanly plausible police procedurals with very high level hackery to form a novel both intricately plotted and meticulously produced One of the best debut novels I have read Crime murder sex friendship twist and turns highs and lows are abundant throughout this book If the producers of Homeland or 24 are looking for the next and very relevant topical and addictive series look no further Fatal Mistake (A Sydney Best Suspense Thriller—Book 2) Mia Gold, 2024-05-28 This is my second book by this author and she doesn't disappoint Great stories fabulous protagonist and well nuanced side characters Highly recommended Reader review Extra Dirty When a human trafficking case takes a macabre turn DSS Agent Sydney Best is thrust into a world of power and evil She must navigate the darkest corners of international crime to stop a mastermind who likes to play god determining who lives and who dies FATAL MISTAKE A Sydney Best Suspense Thriller Book 2 is the second novel in a new series by mystery and suspense author Mia Gold The series begins with FATAL CHOICE Book 1 Immerse yourself in the gripping Sydney Best mystery series an exhilarating cat
