**The Rock Band** T.D Morley, 2015-03-11 This book is essentially a sequel a follow up to the book *The Haunting* The protagonist is Tony the handsome lead singer and songwriter of an up and coming rock band The Peacocks the story tells of a young Adonis and Martial Arts expert that experiences horror and supernatural events The turmoil that has plagued him his family and his compatriots is beyond belief Read on and see how the elements and phenomena unfolds upon this happy band of warriors Music was their aim but the battle against evil and alien forces that inflicts itself on this planet is a memory they can't put aside But love and friendship abide and through all their endeavours and hardships they aspire to the great heights of superstardom This addition is part of a trilogy

that will take you on a roller coaster ride of climaxes and cliff hangers and also into the realms of steamy hot and powerful erotic love The collage that is painted is a patchwork of memorable events that blends into a masterpiece and would last well into the mind of any reader     The Architecture of Survival Erik Trump, Jake Parcell, 2023-09-05 The Architecture of Survival Setting and Politics in Apocalypse Films offers a compelling exploration of how popular films and TV series from the past two decades use architectural spaces to comment on socio political issues The authors harness varied theoretical perspectives to demonstrate how through set design these works suggest that certain kinds of architecture support human development community and freedom while other kinds separate us from our fellow humans and make democratic politics impossible The clean lines of modernist design serve in films such as Contagion and Ex Machina as a metaphor for the sanitized sterile politics that drive disaster In The Walking Dead apocalypse survivors favor traditional architectural styles when rebuilding society a choice that symbolically affirms their democratic principles The massive walls and super gentrification as seen in Elysium and Army of the Dead divide humanity with those on one side wielding illegitimate power Empty streetscapes intensify loneliness alienation and the destruction of civil norms Smart cities offering a blend of high tech surveillance and big data erode social capital and community in Her and Transcendence The book concludes with a somewhat hopeful glimpse into architecture s potential to mitigate the catastrophic adverse effects of climate change as seen in films like Zootopia
