At the bottom, the curved horizon of Earth is visible, showing a bright blue atmosphere. The title 'STAR TREK' is at the top in a large, white, italicized font. The subtitle 'THAT WHICH DIVIDES' is in the middle in a white, spaced-out font. The author's name 'DAYTON WARD' is at the bottom in a white, spaced-out font.

The Soul of Civility Alexandra Hudson,2023-10-10 Alexandra Hudson daughter of the Manners Lady was raised to respect others But as she grew up Hudson discovered a difference between politeness a superficial appearance of good manners and true civility In this timely book Hudson sheds light on how civility can help bridge our political divide From classical philosophers like Epictetus to great twentieth century thinkers like Martin Luther King Jr to her own experience working in the federal government during one of the most politically fraught eras in our nation s history Hudson examines how civility a respect for the personhood and dignity of others transcends political disagreements Respecting someone means valuing them enough to tell them when you think they are wrong It s easy to look at the divided state of the world and blame our leaders the media or our education system Instead we should focus on what we can control ourselves The Soul of Civility empowers readers to live tolerantly with others despite deep differences and to rigorously protest wrongs and debate issues rather than silencing disagreements A robust public discourse is essential to a truly civil society and respecting others means telling hard truths If enough of us decide to change ourselves we might be able to change the world we live in too Provocative personal and acutely relevant The Soul of Civility is an essential book for our era
