Starcrossed To Star Dust English Edition:

Dictionary of Midwestern Literature, Volume 1 Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley s introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

Lush Life David Hajdu, 2013-04-26 Arguably the finest biography yet written about a jazz musician It will fascinate readers who have never heard a note of Strayhorn s music Joel E Seigel Washington City Paper A finalist for the National Book Critics Circle Award Billy Strayhorn 1915-67 was one of the greatest composers in the history of American music the creator of a body of work that includes such standards as Take the A Train Yet all his life Strayhorn was overshadowed by his friend and collaborator Duke Ellington with whom he worked for three decades as the Ellington Orchestra s ace songwriter and arranger A definitive corrective USA Today to decades of patchwork scholarship and journalism about this giant of jazz David Hajdu s Lush Life is a vibrant and absorbing account of the lush life that Strayhorn and other jazz musicians led in Harlem and Paris While composing some of the most gorgeous American music of the twentieth century Strayhorn labored under a complex agreement whereby Ellington took the bows for his work Until his life was tragically cut short by cancer and alcohol abuse the small shy composer carried himself with singular style and grace as one of the few jazzmen to be openly homosexual Lush Life has sparked an enthusiastic revival of interest in Strayhorn s work and is already acknowledged as a jazz classic A book as beautiful and intelligent as its subject David Hajdu has brought all my dear memories of Billy Strayhorn to life Lena Horne It is a mark of excellence of this biography that it leaves one wanting nothing so much as to listen to the music Jonathan Yardley The Washington Post Book World

Finnish Video Games Juho Kuorikoski, 2015-05-11 In the past three decades Finland s video game industry has become the backbone of

Finnish cultural export Angry Birds and Clash of Clans are dominating sales around the world and the small Nordic nation has become a gaming superpower Drawing on more than 60 interviews this book covers the Finnish video game phenomenon as told by the people behind its success The history of the industry is documented in detail for the first time Two hundred game reviews are included presenting the best and worst of commercial video games made in Finland **Star-Crossed: The Complete Trilogy** Rhys Lawless,2023-06-27 We re not supposed to like each other but from the moment I set my eyes on him I know I want him Too bad everything and everyone is set against us Not that I care mind you What fun is it being an elf with superpowers if you can t do whatever the hell you want Especially when we could be killed at every turn by droves of terrible monsters straight from my worst nightmares Star Crossed is a fated mates star crossed lovers Romeo and Juliet esque MM urban fantasy romance With monsters And an adorable troll This collection includes all three books in the series Elven Duty Elven Game and Elven Heir **Book Review Index** ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index Science Fiction and Fantasy Literature R. ongoing flow and counterflow of influences including how fictional representations of science affect how we view its practice and disciplines Although the main focus is on literature other forms of science fiction including film and video games are explored and because science is an international matter works from non English speaking countries are discussed as needed
