Star Trek: A Time To Sow Kevin Dilmore, Dayton Ward, 2012-10-16 Centuries ago a hardy band of survivors fleeing a planetary catastrophe took refuge in the inhospitable asteroid belt Struggling for years to make what had once been short-term mining settlements into suitable colonies for permanent civilization eventually they succeeded all too well and their thriving population is approaching critical mass Now they must make a choice to go on as they are on the crowded but functional asteroids or to give up all they have worked for in a desperate plan to rebuild their dead home planet Their dilemma has brought them to the brink of civil war and into this volatile standoff comes the Enterprise assigned a seemingly meaningless mission to chart this sector of space Faced with an advanced society on the verge of self-destruction it is up to the Enterprise still carrying the weight of her demotion and disgrace to find a way to lead the survivors to peace

A Star Trek: The Next Generation: Time #3: A Time to Sow Dayton

Ward, Kevin Dilmore, 2004-04-01 On the cusp of their epic battle with Shinzon many of Captain Jean Luc Picard's long time crew were heading for new assignments and new challenges Among the changes were William Riker's promotion to captain and his new command Riker's marriage to Counselor Deanna Troi and Dr Beverly Crusher's new career at Starfleet Medical But the story of what set them on a path away from the Starship Enterprise has never been told Until now More than two centuries ago the Dokaalan sent an unmanned probe into the void bearing a distress call for anyone who could save their doomed world But the message reached Federation space too late to save the planet or its people Or so it was believed Generations later Captain Jean Luc Picard and the crew of the Enterprise E are stunned to discover the last of the Dokaalan now only a colony fighting to stay alive in a decrepit asteroid mining complex Although their home planet was destroyed long ago the survivors hope to someday transform a nearby planet into a new home for their people But bitter divisions exist among the Dokaalan sowing the seeds of sabotage and terrorism and placing Picard and the Enterprise in the middle of an escalating crisis that can only lead to total destruction
