

Stark is a secret consortium with more money than God, and the social conscience of a dog on a croquet lawn. What's more, it knows the Earth is dying.

Deep in Western Australia where the Aboriginals used to milk the trees, a planet-sized plot is taking shape. Some green freaks pick up the scent: a pommie poseur; a brain-fried Vietnam vet; Aboriginals who have lost their land... not much against a conspiracy that controls society. But EcoAction isn't in society: it just lives in the same place, along with the cockroaches.

If you're facing the richest and most disgusting scheme in history, you have to do more than stick up two fingers and say 'peace'.

history that draws parallels between current events and the nightmares unfolding on cinema screens Each of the 300 films is discussed with detailed credits a brief synopsis a critical commentary and where applicable notes on the film's legacy beyond the 80s Also included is the author's ranking of the 15 best horror films of the 80s Fireside Chats of a Retired College President Thomas E. Cronin, 2025-02-15 President Tom Cronin was regarded as one of the most effective college presidents in the American west Whitman College under his leadership was regularly hailed by THE PRINCETON REVIEW of BEST COLLEGES for extraordinary administrative leadership and high student satisfaction It also twice earned the highest accreditation rankings of any college or university in that part of the country Fellow scholar and CNN commentator Michael A. Genovese edited a volume of essays in tribute to him writing that It is unusual to become a Mount Rushmore scholar in any one field but Tom Cronin has made that tremendous accomplishment in two different academic fields he is one of the most respected American presidency scholars in the nation And he is one of the most influential leadership scholars Cronin earned his Ph.D. in Political Science at Stanford University He served as a White House Fellow on the White House staff and later served as a scholar in residence at the Brookings Institution the Aspen Institute the Center for the Study of Democratic Institutions and the Hoover Institution Tom Cronin taught for nearly three decades at Colorado College where he received several awards for teaching and advising and served in 1991 as Interim President He served as President of Whitman College from 1993 through 2005 He was co-author for thirty years of two best-selling college textbooks Government by The People and State and Local Government He has also written several books about politics the presidency public policy and political films and novels He is co-author of the prizewinning Leadership Matters Philip Roth Considered Steven Milowitz, 2015-12-22 This book comprehensively surveys Philip Roth's published and unpublished works focusing on the thematic unity which binds them together the memory of the Holocaust and the altered universe born of that memory The Holocaust is understood as the orienting event for Roth's fiction and non-fiction the force that surrounds the characters and the narratives at all times Roth's obsession with questions of the Holocaust questions of responsibility meaning and powerlessness explains his recurring discussion of entrapment dehumanization nihilism guilt and coercion The concentrationary universe of the title is defined in this work as not only the universe of camps but also the universe that exists after the devastation Moral and philosophical norms are revoked in this new world Roth's early works are presented on a desolate landscape The introduction explicates this landscape specifically by invoking an early play of Roth's a play which is set in a Jewish ghetto during the Holocaust This unpublished work introduces the historical period that shapes the visions of Roth's future protagonists The next three chapters study Roth's relentless excavation of the dilemmas of fathers mothers authority figures and the inner discord of need and purpose These seemingly quotidian problems are exacerbated and intensified by the Holocaust's shadowy presence No relationship no effort at fulfillment no action is untempered by history in Roth's varied fictions Chapters four and five look directly at Roth's allusions to the Holocaust They explore through each of

Roth's works how the Holocaust thematic the play of ideology and nihilism and the Holocaust pattern the idea of the past encroaching upon the present work through Roth's career informing his readers not only of his fascination with the Holocaust but of his particularly human way of dealing with it The last chapter briefly summarizes the findings of the previous chapter and connects Roth's specific concentrationary universe to the larger world The linguistic clues of Roth's novels are revealed and investigated pointing to Roth's celebration of ambiguity and individuality as parts of an imperfect formula for writing and living in the debased aftermath of the Holocaust
