to take data mining to the next level The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth
Dr. Solomon Udo Solomon ,2016-03-31 The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth
Vol II by Dr Solomon Udo Solomon The theme of The Testimony of the Son of Man is the restoration of the everlasting Gospel
of the Kingdom of God on Earth as was brought down by Yeshua the Lamb of Yahweh for the redemption of the entire
humanity The impetus to write this series of books came to the author by a dream of inspiration In that dream Dr Solomon
Udo Solomon was directed to preach only what Jesus taught the world Dr Solomon went through the Synoptic Gospels first
then the Epistles of the accredited witnesses and finally the Book of Revelations Dr Solomon s understanding was quickened
Finally he decided to read the letters of Saul of Tarsus He saw a whole world of contradictions from what Jesus as the Son of
Man taught the world Dr Solomon then understood why the Lord laid emphasis on what He Himself taught the world as well
as the very essence of the mandate given to him Dr Solomon understood the need to inform the world of his revelations This
is in keeping with what Jesus Himself said And this Gospel of the Kingdom shall be preached to all nations as a witness
against them and then shall the end come The Gospel of the Kingdom which is the Gospel of Lawfulness and Peace is what
Jesus Himself taught the world in His words examples and customs The present messages in churches and other
organizations are composites of wheat and tares because of their choice to flout the Lord s order in the Gospel of Matthew
Chapter 28 verse 20 under the purported inspiration of their false prophet This work is in strict consistency with the mandate
that was given to Dr Solomon The readers will know that there was a gross distortion of the Mission of Yeshua the Lamb of
Yahweh to the world especially His actual work of redemption The cross of the murderers which is being extolled has no
contribution to make for the redemption of mankind This work is intended to free those who care to accept it from the sin of
accomplice which has constituted a plague to the whole world The false information peddled by the false prophet will
eventually be discarded to pave way for the New World Order which rests squarely on what the Lamb of Yahweh bequeathed
to the world This is the much needed foundation for the Lord s return to set His Millennial Government on Earth This work
shall awaken the consciousness in the elects to preach only what the Lord Himself taught the world notwithstanding the
temptation to believe and propagate the unscriptural letters of Saul of Tarsus **A Theology of Mark's Gospel** David E.
Garland,2015-10-06 A Theology of Mark s Gospel is the fourth volume in the BTNT series This landmark textbook written by
leading New Testament scholar David E Garland thoroughly explores the theology of Mark s Gospel It both covers major
Markan themes and also sets forth the distinctive contribution of Mark to the New Testament and the canon of Scripture
providing readers with an in depth and holistic grasp of Markan theology in the larger context of the Bible This substantive
evangelical treatment of Markan theology makes an ideal college or seminary level text *Beginning ASP.NET Web Pages
