Ladies in the Laboratory? American and British Women in Science, 1800-1900 Mary R.S. Creese,2000-01-01 A systematic survey and comparison of the work of 19th century American and British women in scientific research this book covers the two countries in which women of the period were most active in scientific work and examines all the fields in which they were engaged The field by field examination brings out patterns and concentrations in women s research in both countries and allows a systematic comparison of the two national groups Through this comparison new insights are provided into how the national patterns developed and what they meant in terms of both the process of women s entry into research and the contributions they made there Ladies in the Laboratory features a specialized bibliography of nineteenth century research journal publications by women created from the London Royal Society s Catalogue of Scientific Papers 1800 1900 In addition 23 illustrations present in condensed form information about American and British women s scientific publications throughout the nineteenth century This well organized blend of individual life stories and quantitative information presents a great deal of new data and field by field analysis its broad and methodical coverage will make it a basic work for everyone interested in the story of women s participation in nineteenth century science *Paths of Resistance* David R. Thelen,1986-01-23 The years between 1865 and 1920 were eventful ones for the sake of Missouri It was not only the time of Jesse James Scott Joplin and Mark Twain of progressive governors Joseph Folk and Herbert Hadley of the first general strike in St Louis and some especially vicious vigilante activity it was also the time when Missouri like many other states was being transformed by the tides of industrialism and economic growth This social history examines the social and economic forces that resisted economic development in Missouri Here Thelen explores the various ways that people attempted to maintain their values and dignity in the face of overwhelming new economic cultural and political pressures and analyzes the grassroots patterns that emerged in response to rapid social change Thelen who is one of the leading historians of the Progressive period in America contends that people found their strength not in class solidarity or other Marxist responses but

in what he calls the resistance of folk memories which allowed them to call upon the best elements of their collective past to help them cope with the new situation **The Missouri Yearbook of Agriculture...** Missouri.
