That Little Coker Boy:

That Little Coker Boy Laurie Coker,2014-12-30 That Little Coker Boy is a collection of autobiographical story poems told from the viewpoint of a child growing up in a small town and rural community of Texas during a time of historic change the 1940s 50s and 60s She reveals to readers her own perception and insight of the era in which she lives sometimes sad sometimes humorous but reflective of the times *Ella Elgar Bird Dumont* Ella Elgar Bird Dumont,2014-07-03 A crack shot expert skinner and tanner seamstress sculptor and later writer a list that only hints at her intelligence and abilities Ella Elgar Bird Dumont was one of those remarkable women who helped tame the Texas frontier First married at sixteen to a Texas Ranger she followed her husband to Comanche Indian country in King County where they lived in a tepee while participating in the final slaughter of the buffalo Living off the land until the frontier was opened for ranching Ella and Tom Bird typified the Old West ideals of self sufficiency and generosity with a hesitancy to complain about the hard life in the late 1800s Yet in one important way Ella Dumont was unsuited for life on the frontier Endowed with an instinctive desire and ability to carve and sculpt she was largely prevented from pursuing her talents by the responsibilities of marriage and frontier life and later widowhood with two small children Even though her second marriage to Auguste Dumont made life more comfortable the realities of her existence still prevented the fulfillment of her artistic longings Ella Bird Dumont s memoir is rich with details of the frontier era in Texas when Indian depredations were still a danger for isolated settlers where animals ranged close enough to provide dinner and a new pair of gloves and where sheer existence depended on skill luck and the kindness of strangers The vividness and poignancy of her life coupled with the wealth of historical material in the editor s exhaustive notes make this Texas pioneer s autobiography a very special book **Everything Happens in Chillicothe** Mike Shannon,2014-05-23 One thing about Max was that he was about as well adjusted to his disability if you want to call it that as anyone could be He even used his eye once to shut up an obnoxious high school coach After he d heard all the complaining he wanted to hear Max took his eye out of the socket and handed it to the stunned coach saying You want to umpire this game Here be my guest *Everything Happens in Chillicothe* is an authentic behind the scenes look at the lowest rung of professional baseball and a biography of Max McLeary the one eyed umpire and a most intriguing individual Author Mike Shannon spent the 2000 Frontier League season attending games with McLeary and gives his account of the season here The book speaks volumes about umpiring as a profession relationships particularly between Max and his estranged son a minor league player between Max and his long suffering wife Patty and between Max and his umpiring partner Jim Schaly life in small town America and the various people connected with the Chillicothe Paints and other teams in the Frontier League Many humorous and poignant stories are told here for the first time by McLeary Schaly and others **A Boy Called Kid** Thelma Inman,2019-03-22 Tom resented her already and when she began to spank his little sister that was just too much He was at the table and picked up a butcher knife and then he turned and ran out the door She hollered You just wait until your

papa gets home Tom knew he was in serious trouble He started crying and running He didn't know where he was going only he knew he couldn't go back He ran and cried until he came to their church building He crawled under the building and started crying again He must have cried himself to sleep because the next thing he heard was someone calling his name He heard his papa say Just wait until I get hold of that kid Tom lay real still until he couldn't hear them anymore It was pitch dark and he was so scared and didn't know what to do Every noise he heard he thought something was after him so he crawled out and started running He cried and ran all night on a dirt road with no shoes or shirt Then he looked up to see this man coming toward him He had a star on his shirt He came up beside him and said Howdy son have you ran away from home What is your name Tom knew better than to give his real name About that time a man came up and spoke to the lawman He said No he is with me
