Child Activist Literature at the Turn of the 2020s Niall C. Nance-Carroll, 2024-10-29 Child Activist Literature at the Turn of the 2020s From Kids You Read About to Kids You Read looks at how today's child activists are not just followers in their forekids footsteps but blazers of new pathways employing sophisticated rhetorical strategies that invert and subvert conventional thinking on the roles of children in politics These young activists situate their work within a dense web of texts the ones they read the ones they write and the ones that they expect adults to deploy to dismiss them Nance Carroll analyzes texts authored by child activists alongside narratives of youth activism in literature and media and the stories activists tell about themselves and their work exploring issues of influence inspiration and authorship in child activist literature as a growing body of work challenges not just adults' assumptions about children and politics but also some fundamental disciplinary tenets of children's and young adult literature

Matricentric Feminism: Theory, Activism, Practice. The 2nd Edition Andrea O'Reilly, 2021-04-04 The 2nd edition includes a new preface that considers how matricentric feminism in positioning mothering as a verb affords a gender neutral understanding of motherwork and allows for an appreciation of how motherwork is deeply gendered and how this may be challenged and changed through empowered mothering The book argues that the category of mother is distinct from the category of woman and that many of the problems mothers face are specific to women's role and identity as mothers Indeed mothers are oppressed under patriarchy as women and as mothers Consequently mothers need a feminism of their own one that positions mothers' concerns as the starting point for a theory and politic of empowerment O'Reilly terms this new mode of feminism matricentric feminism and the book explores how it is represented and experienced in theory activism and practice

health care housing incarceration personal debt and unemployment Contributors to the volume explore how violence is used to maintain conditions for accumulating capital Across world regions violence is manifested in the increasingly strained often terrifying circumstances in which people struggle to socially reproduce themselves Security is often sought through armaments and containment which can lead to the impoverishment rather than the nourishment of laboring bodies Under increasingly precarious conditions governments oversee the movements of people rather than scrutinize and regulate the highly volatile movements of capital They often do so through practices that condone dispossession in the name of economic and political security

Burkholder, David Cramer, 2012-04-04 Anabaptists have often felt suspicious of American evangelicalism and in turn evangelicals have found various reasons to dismiss the Anabaptist witness Yet at various points in the past as well as the present evangelicals and Anabaptists have found ample reason for conversation and much to appreciate about each other The Activist Impulse represents the first book length examination of the complex relationship between evangelicalism and Anabaptism in the past thirty years It brings established
