Business practices in emerging markets are constantly challenged by the dynamic environments that involve stakeholders. This increases the interconnectedness and collaboration as well as spillover effect among business agents that may increase or hold back economic stability. This phenomenon is captured in this proceedings volume, a collection of selected papers of the 10th ICBMR 2016 Conference held October 25-27, 2016 in Lombok, Indonesia. This ICBMR's theme was Enhancing Business Stability through Collaboration, and the contributions discuss theories, conceptual frameworks, and empirical evidence of current issues in the areas of Business Management, Finance, Accounting, Economics, Islamic Economics, and competitiveness. All topics include aspects of multidisciplinary and complexity of safety in research and education.
