Spivey, Dwight Moody Smith, 1969 On the assumption that the reader will want to know what the New Testament is about what its authors intended to say we have sought to direct his attention to the text of the New Testament itself In order to help him come to a more than superficial or second hand understanding we have dealt extensively with representative texts from the various New Testament books Working outward from these texts we have then endeavored to display and illumine the character and movement of the different writings Preface **Peter in Early Christianity** Helen K. Bond , Larry W. Hurtado, 2015 Long overshadowed by the apostle Paul Peter has received increased scholarly attention of late Building on that resurgence of interest nineteen internationally prominent scholars of early Christian history examine and reassess the historical Peter and his significance in Christian texts from the first three centuries Giving due attention to archaeological data and recent scholarship the contributors offer a comprehensive view of Peter through analysis of both New Testament texts and later noncanonical literature Markus Bockmuehl concludes the volume by considering present day questions about the role of Peter popes and church leadership **Subject Guide to Books in Print** , 1997 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R Bowker Publishing, 1996-09 Lessons of the Masters George Steiner, 2013-04-16 DIVA thought provoking examination of the complex teacher student relationship from one of the great minds of the modern literary world Based on George Steiner s

Morris, 2020-03-31 There was a time when discipleship was taken for granted It was assumed that people could be persuaded to believe and that each person would step into the path that took them to Jesus That assumption is no longer valid As early as the Gospels Jesus and his biographers recognize that each person brings experience to the journey which travels through different times and places The discipleship path for each individual disciple is assessed and determined through this *Gospel Discipleship Participant Guide* while the *Gospel Discipleship Congregation Guide* serves as the implementation guide for church leaders It also assesses the discipleship path for the congregation as a whole By understanding what type of disciple you are participants in *Gospel Discipleship* can clarify the path they need to walk Some people love to go on mission trips some people really thrive learning from a great teacher some people connect to God through painting and music and some people just want to have a cup of coffee and talk about life and eventually get around to talking about Jesus Participants in *Gospel Discipleship* can be set free from the guilt of not feeling like a real disciple because they don't feel called to experience the journey the same way as everyone else Instead participants can become the disciple Jesus wants them to be They can spend their valuable time and energy living and walking on the path where Jesus is calling them to follow **Current literature of the month** ,1924 *British Books in Print* ,1985 **Books in Print**
