The Living Church ,1949 Preach Better Sermons Shane Stone, Ph.D., 2018-12-18 The objective of this book is to address the following

premises
 Premise number one The purpose and aim of Christian preaching teaching is to produce spiritually faithful biblically capable and productively active disciples of Jesus Christ
 Premise number two Conventional preaching teaching philosophies and methods are not achieving the desired effects in far too many cases This is evidenced by the numbers of lukewarm churches and spiritually broad but not deep Christians
 Premise number three A paradigm shift in how sermons and Bible lessons should be prepared and communicated will help alleviate the problem and is long overdue This book addresses the shortcomings of modern Christian preaching envisions the strongest and deepest approaches to biblical teaching and learning and lays out specific steps to get churches classrooms and pulpit ministries from where they are to where they need to be *The Ecclesiastical gazette, or, Monthly register of the affairs of the Church of England* ,1882

Will Campbell, Preacher Man Kyle Childress,Rodney Wallace Kennedy,2016-08-04 This collection of essays and sermons by Rodney Kennedy and Kyle Childress is focused on honoring the memory of Will Campbell the prophet from the South who made a vocation of destroying sacred cows The essays and sermons attempt to be true to the spirit of Will Campbell s devotion to the gospel above all else It should not be surprising that the essays and sermons are about the business of deconstructing more sacred cows while lifting up the truth claims of the gospel Certaine sermons or homilies appoynted to be read in churches, in the time of the late Queene Elizabeth ... study of women s preaching Kim makes a very significant contribution to the development of homiletics as it joins together the history of women preachers with theological reflection from other women preachers as well as herself It is the author s hope that this book will provide a broader and deeper basis for the theology of preaching as well as practical ways in which preachers can improve their own preaching by looking at a woman s perspective Kim s ground breaking book is the first comprehensive narrative of women preachers from the Second Testament to the Second Millennium Through Kim s eyes we see women as a constant and forceful if often subversive presence in Christian preaching After focusing on the medieval period the Reformation and the early twentieth century the author brings her autobiography close to the surface as she leads us to consider women and the politics of God in the colonial and post colonial eras with a special focus on Asia The book climaxes with a call to envision preaching as partnership with God that facilitates partnership in the church and world in the service of liberation Ronald J Allen Nettie Sweeney and Hugh Th Miller Professor of Professor of Preaching and New Testament Christian Theological Seminary Indianapolis Indiana Kim s exciting exploration of the history of women preachers illuminates the remarkable perseverance of God and the women who partner with God to bring words of peace and transformation to the world Those churches that continue to deny women s preaching do more than simply perpetuate an inequality They also quench the Spirit who years to transform us co workers in the liberative work of God Cliff Guthrie Associate Professor of Homiletics and Pastoral Studies Bangor Theological Seminary Bangor Maine Collectio rerum
