Templum Knight Trilogy Derek Prior, A triumph of fantasy Journal of Always Derek Prior always produces masterpieces of storytelling with great characters full of life relentless plots and gripping and intense fight scenes Mitchell Hogan The entire classic trilogy in one volume Includes 1 Sword of the Archon 2 Best Laid Plans 3 The Unweaving Originally published as Shader Against the Unweaving Templum Knight Trilogy is a totally revised new edition An exemplary knight and veteran of a horrific battle against the undead armies of the Lich Lord Deacon Shader must compete for his Order s highest office and attempt to become the Keeper of the Sword of the Archon Succeed or fail he plans to desert the Order and become a contemplative monk on the far side of the world The transition is not a smooth one and Shader a deserter is hunted by the religious authorities he used to serve When a powerful artifact is stolen from the abbey he joins as a novice Shader the only fighting man among the monks is sent to retrieve it But events have already spiraled out of control plague spreads across the land the dead rise from their graves and an ancient evil has awakened As Creation itself hangs by a thread Shader must confront the contradiction that defines him Either he is a man of prayer with a wavering faith Or the deadliest warrior of his generation The fate of all the worlds will be decided by his answer *The Unweaving* Derek Prior, An absolute triumph of fantasy Journal of Always Shader has failed and Sektis Gandaw now holds all the pieces of the Statue of Eingana Despair hangs like a pall over the battered armies of Sahul and Aeterna It s now just a matter of time A sliver of hope comes in the form of Shadrak the Unseen who has the means to travel to the source of the coming cataclysm the black mountain at the heart of the Dead Lands on Aethir But Shader Shadrak and Rhiannon discover that Aethir brings a new set of challenges the Sour Marsh an oozing malignancy from the nightmare realm of Qlippoth an arrogant senate that seeks to appease rather than fight and a volatile secret at the heart of the ravine city of Arx Gravis a dwarf with no name who could prove the most stalwart of allies or the deadliest of foes Old love has turned sour and regrets run deep Shader is sick of killing but can see no other way Rhiannon s last defense against all she has lost is a self destructive rage and Shadrak s niggling conscience is

causing him more trouble than he needs Loyalties are called into question yet all three must bury their differences if they are to find a way into Sektis Gandaw's impregnable base and prevent the Unweaving of all things **L'Épée de l'Arckon** D.P. Prior, 2017-02-01 Un homme de priere destin au combat Deacon Shader est plein de contradictions Form pour la sainteté il est galement le guerrier le plus mortel de sa génération Quand la peste frappe le cur de la ville de Sarum et que l'Abbaye de Pardes est attaquée par une armée de morts vivants Shader est projeté sur la ligne de front d'un conflit vieux comme le monde Les fragments parpillés de l'artefact qui avait condamné l'ancien monde restent cachés pendant près d'un millenaire refont surface et un ancien ennemi vient les réclamer Des armées croisent le fer de la magie noire est invoquée et une science destructrice menace de défaire toute la création C'est le temps du Dilemment pour lequel Shader a tenu par depuis son enfance C'est un temps qui testera les limites de sa foi **Skull of the Lich Lord** Derek Prior, D.P. Prior, 2019-05-03 The Nameless Dwarf is sentenced to death by the survivors of Arx Gravis It is a fate he willingly accepts The assassin Ilesa has abandoned him and so it falls to the rogue Nils and the wizard Silas to stage a rescue But with the Lich Lord's grimoire obsessing him more and more Silas may no longer be in control of his destiny Sick and close to death he is haunted by visions of an ebon staff in a forest of tar As a chilling doom closes in on the companions the last of the dwarves are threatened with extinction at the hands of ravenous beasts that live only to feed And in the background orchestrating it all lurks an implacable horror Nameless had thought destroyed A skull with crimson eyes that feast on living souls All that remains of Otto Blightey the Lich Lord of Verusia **The Nameless Dwarf** Derek P. Prior, 2013 The dwarves have gone Thousands have been slaughtered in the blood drenched streets of their ravine city by a demonic axe in the hands of one of their own The survivors have fled beyond the mountains heading into a realm haunted by the nightmares of a twisted god When Nils Fargin son of an underworld boss is hired to find them he travels with his client to seek the advice of a lowlife mage With what he learns he should have asked for more money The trail leads them to the domain of the terrifying Ant Man who is rumored to eat the flesh of anyone refusing to pay his toll And as if that wasn't enough it turns out Nils's client is none other than the Nameless Dwarf better known to his kind as the Ravine Butcher The Nameless Dwarf is an epic tale of remorse and redemption that pits a whiskerless thief a guilt driven assassin a consumptive wizard and an amnesiac dwarf against the worst imaginings of a craven mind But the companions bring troubles of their own not least of which is an ancient grimoire that leads them inexorably towards a forest of tar and an evil that threatens the existence of an entire race The last hope of the dwarves comes from the unlikelyst of sources a mythical city beneath the waves an axe from the age of heroes and the Nameless Dwarf in whose veins flows the blood of legends The Nameless Dwarf The Complete Chronicles contains all five books of the Chronicles of the Nameless Dwarf The Ant Man of Malfen The Axe of the Dwarf Lords The Scout and the Serpent The Ebon Staff Bane of the Liche Lord **Bane of the Liche Lord** D. the Liche Lord Otto Blightey but would sooner be dead and Nameless is on the run carrying a warning of doom to the last of his people As the Liche Lord and his horde of Feeders relentlessly pursue him there is little time for Nameless to settle old scores mend bridges and pray that the survivors of his butchery at Arx Gravis can forgive him just enough for him to save them Only problem is he s not sure he has the strength or the courage for the task With the sentient Axe of the Dwarf Lords as petrified as everyone else the last hope of the dwarves lies in the hands of a shapeshifting assassin with a reputation for self preservation at all costs
