120 Days of Sodom - Sade Marquis de Sade, 2024-05-10 In addition to being shocking and controversial Marquis de Sade's novel The 120 Days of Sodom was the first attempt by a writer to portray in an absolutely raw way many of the phantasies that can emerge from a human being It tells the story of four rich libertine men who decide to experience ultimate sexual gratification in orgies To do this they lock themselves up for four months in an inaccessible castle with a harem of forty six victims most of them teenagers of both sexes and recruit four pimps to tell the story of their lives and adventures The women's narrative becomes inspiration for sexual abuse and torture of the victims which gradually escalates in intensity and ends in a surprising way Right at the beginning of The 120 Days of Sodom the author Marquis de Sade warns I advise the excessively modest reader to immediately put my book aside so as not to be scandalized as it is already evident that there is not much chaste in our plan and we dare to guarantee that there will be even less of it in the execution And now dear reader prepare your heart and your mind for the most impure narrative ever written since our world began a book without parallels among the ancients or among us moderns
