Disciplines of Execution Ronald Bachman, 2020-11-26 Note This is a Summary of The 4 Disciplines of Execution Achieving Your Wildly Important Goal by Sean Covey Jim Huling and Chris McChesney The 4 Disciplines of Execution is a guide for businesses to reliably commit to the goals and plans they set authored by associates from FranklinCovey a management consultancy Rather than focusing on what a business must accomplish to be successful the four disciplines establish how to accomplish those things One reason commitments tend to be abandoned in business is that new projects and goals are less urgent than the day to day tasks of each individual employee which the authors call the whirlwind The key to commitment fulfillment is for new tasks to take up only a small portion of each employee s time but for that employee to be held accountable for completing them The first discipline is to settle on one or two wildly important goals WIGs These are the things that would have the most significant impact on progress toward the business s long term goals In the second discipline the WIG DISCLAIMER We are convinced that our professional summaries will introduce more readers to the full book who otherwise would have turned a blind eye by the sheer commitment Our intention is sincere in that readers could use this summary as an introduction or a companion to the original book not as a substitute **SUMMARY - The 4 Disciplines Of**
