The Adventures Of Precious Penny:

The Adventures of Precious Penny Dina Marie Filippini, 2015-02-08 We've all heard the old saying Find a penny pick it up and all day long you'll have good luck But have you ever stopped to consider the adventures that lucky penny has experienced before you picked it up The Adventures of Precious Penny is the imaginative tale of a penny who gets to share her travel stories with the other members of the money club Her exciting round trip journey from the bank includes a visit to the candy store some quality time at the playground a suspenseful ride in a little boy's pocket and a thrilling tumble through a washing machine before she returns to the bank after resting inside a piggy bank A great read for children ages four to six The Adventures of Precious Penny will ignite their imaginations and inspire them to create their own stories for the pennies they find Even adult readers will find themselves reconnecting with the curiosity and joy they experienced as kids and opening their eyes to the magic in their everyday lives Forget good luck Learn from Precious Penny the world is an exciting and wonderful place so enjoy it

The Adventures of Reuben Davidger James Greenwood, 1865 ADVENTURES OF ARABELLA AND THE SEVEN MAIDENS Dorothy Angkahan, 2025-01-28 Arabella is off on her second journey to help people who are oppressed in the world The child doesn't know where her next journey is taking her but she is looking forward to more adventures and to help others if she can When Arabella is finally transported to another faraway land she becomes astonished about her second goodwill mission to help people from a dire situation because she must go with her new companion whom Arabella will meet in her second journey and they must travel around the world to collect the seven keys from the seven maidens Afterward Arabella and her companion return where her companion is from to free the people there from a devastating curse that has plagued the land the king's southern part of his kingdom While the two girls travel to each maiden's territory they're faced with perils and trials on the way So no one can say that the girls don't have their hands full yet during their goodwill mission they'll meet wonderful people of foreign tongues and cultures between the maidens territories Also Arabella and her companion will develop a meaningful relationship with each other that's binding for life They both have strong faith for their age but they would have to because without faith and divine intervention their goodwill mission won't be successful This Arabella learned from her first journey and more so in this second journey One thing the girls will have in common with their perils and trials they both will see their faith grow and through perseverance they both will gain wisdom yet maintaining humility and a heart of charity on the way If Arabella is thinking her first and previous journey was overwhelming then she'll surely find this second journey surpasses her first with amazing and incomprehensible adventures and perils on the way so her and new companion's faith may be tested Thus with each goodwill mission her faith will grow stronger and the values she learns from her journeys are indeed preparing her to rule wisely and justly as baroness of the Wellington dynasty someday
