The Alexandria Connection:

The Alexandria Link Steve Berry, 2007-02-06 Cotton Malone retired from the high risk world of elite operatives for the U S Justice Department to lead the low key life of a rare book dealer But his quiet existence is shattered when he receives an anonymous e mail You have something I want You re the only person on earth who knows where to find it Go get it You have 72 hours If I don t hear from you you will be childless His horrified ex wife confirms that the threat is real Their teenage son has been kidnapped When Malone s Copenhagen bookshop is burned to the ground it becomes brutally clear that those responsible will stop at nothing to get what they want And what they want is nothing less than the lost Library of Alexandria A cradle of ideas historical philosophical literary scientific and religious the Library of Alexandria was unparalleled in the world But fifteen hundred years ago it vanished into the mists of myth and legend its vast bounty of wisdom coveted ever since by scholars fortune hunters and those who believe its untold secrets hold the key to ultimate power Now a cartel of wealthy international moguls bent on altering the course of history is desperate to breach the library s hallowed halls and only Malone possesses the information they need to succeed At stake is an explosive ancient document with the potential not only to change the destiny of the Middle East but to shake the world s three major religions to their very foundations Pursued by a lethal mercenary Malone crosses the globe in search of answers His quest will lead him to England and Portugal even to the highest levels of American government and the shattering outcome deep in the Sinai desert will have worldwide repercussions BONUS This edition contains an excerpt from Steve Berry s *The Columbus Affair* and a Cotton Malone dossier

A History of the Legal Development of the Railroad System of Southern Railway Company Fairfax Harrison, 1901 **The Urban Library** Julia Nevárez, 2020-12-04 This book examines the role history and function of public libraries in contemporary societies as motors that drive development It analyses through case studies how contemporary libraries have been redesigned to offer a new kind of public space while also reshaping neglected areas in cities Broadly understood the book seeks to comprehend contemporary library design urban development and the revitalization of specific urban areas Important and world famous architects star architects have designed signature architecture in the contemporary libraries selected for this volume The examples to be showcased in the book include the main Seattle Public Library Salt Lake City Public Library New York Public Library Spain Library Medellin Colombia Halifax Central Library Nova Scotia Canada and Library of Alexandria in Egypt to offer examples of what constitute the approach to libraries and urban development in many cities around the world nowadays Data in the form of interviews to library directors librarians and users tours of libraries visual documentation and archival research have been collected for most public libraries included as case studies for the book The impulse to archive has been framed and understood in the literature as a modern desire to control fleeting reality Libraries as such respond to this desire by collecting storing and circulating resources books and other kinds of media But more recently there has been an emphasis on the public character of library spaces in which people gather not only to obtain information and read by themselves but also to experience the very urban quality of proximity to others in more informal and less structured environments as public space Community events characterize the programming of all the libraries included in the book The design of these new libraries fit into urban development initiatives where libraries like other iconic cultural spaces of cities become central components to market cities for the consumption of culture Libraries become sites to be visited and explored by tourists while providing services for residents They are also machines to accelerate urban development especially in areas previously neglected by development *Pollock US Penitentiary and Federal Prison Camp (FPC), Grant Parish*, 1995 **The Nation**, 1870 *Landscape Archaeology of the Western Nile Delta* Joshua R.
