The Angry Buddhist:

The Angry Buddhist Seth Greenland, 2012-04-24 From the author of *I Regret Everything* comes this great novel It's satirical it's political it's sexual All the things that I love dearly Larry David creator of *Curb Your Enthusiasm* and *Seinfeld* Seth Greenland's timely novel is a smart and darkly amusing dissection of the American political establishment in all its sordid glory Set in the hardscrabble California desert community of Desert Hot Springs and the manicured enclave of Palm Springs the novel lives at the intersection of the political disarray of today In this sun-blasted territory with its equally arid culture a fiercely contested congressional election is in progress The wily incumbent Randall Duke is unburdened by ethical considerations and his opponent Mary Swain is a sexy and well-financed newcomer who does not have a firm grip on American history or elemental economics As election day nears the exploitable backgrounds of these two candidates are teased out by the desire to one-up each other The campaign gets carried away when the personal escapades of friends and family spill over into the election including lesbian love triangles and sudden spiritual enlightenment A wild entertainment as well as a novel about the way we live now that dares to dance with the profound *Los Angeles Times* *The Angry Buddhist* approaches all its characters with reliable misanthropy not for nothing does Larry David provide this book's most visible blurb And its story unfolds with dexterous ease A fine high-end beach read for this election season *The New York Times Book Review* A novel about three brothers *The Angry Buddhist* is a steamy mix of murder matching manga kitten tattoos and a fierce congressional election **Lion's Roar** **Be Angry** Dalai Lama, 2019-03-01 Simple and accessible wisdom from His Holiness the Dalai Lama on how to use compassionate anger for social transformation In the real world exploitation exists In the real world there is a huge and unjust gap between rich and poor The question from a Buddhist perspective is how should we deal with inequality and social injustice His Holiness the Dalai Lama teaches that it is wrong for a spiritual person to remain indifferent we must struggle to solve these problems These problems are brought to our consciousness because they anger us and this little book teaches us how to deal with that anger There are two types of anger One type arises out of compassion and is useful and must be encouraged The other type arises out of jealousy and envy and results in hatred ill will and harm Here you will learn the Buddhist path to compassionate anger a motivating force that can transform the negative into the positive and change the world *The Cow in the Parking Lot* Leonard Scheff, Susan Edmiston, 2010-01-01 Uses simple Buddhist principles an easily understandable way this book may help readers replace the anger in their lives with a newfound contentment **Anger** Thich Nhat Hanh, 2002-09-03 Thich Nhat Hanh shows us the connection between personal inner peace and peace on earth His Holiness The Dalai Lama Nominated by Martin Luther King Jr for a Nobel Peace Prize Thich Nhat Hanh is one of today's leading sources of wisdom peace compassion and comfort It was under the bodhi tree in India twenty-five centuries ago that Buddha achieved the insight that three states of mind were the source of all our unhappiness wrong knowing obsessive desire and anger All are difficult but in one instant of anger one of the most powerful

emotions lives can be ruined and health and spiritual development can be destroyed With exquisite simplicity Buddhist monk and Vietnam refugee Thich Nhat Hanh gives tools and advice for transforming relationships focusing energy and rejuvenating those parts of ourselves that have been laid waste by anger His extraordinary wisdom can transform your life and the lives of the people you love and in the words of Thich Nhat Hanh can give each reader the power to change everything
