BABYLON
CONTINGENCY

The background features a warm, golden-yellow sky with a bright sun on the left. In the lower right, there is a silhouette of a traditional East Asian pagoda. In the center, a circular, detailed map or compass rose is visible. The overall style is reminiscent of a vintage travel poster or a historical document.

The Babylon Contingency:

The Babylon Contingency Clifford Longley, 2014-10-17 Investigating a burglary at an English country house DI Robbie Peele comes face to face with some of the most mysterious objects in world archaeology disks similar to the Phaistos Disk and with a Middle Eastern terrorist cell determined to steal them Why and why are Mossad involved The vital clue is a long abandoned Muslim village in Crete where terrible things happened more than a century ago witnessed by a Victorian gentleman explorer who recorded what he saw in coded diaries Seeking the truth about the strange disks Peele and his assistant Sarah Shipton head to Crete But Crete poses as many puzzles as it solves In the end Peele has to ask far harder questions than simply who did the original burglary the answer to which infuriates him What do the disks really say in what language and who made them And why is the answer so dangerous to peace in the Middle East

Decoding the Prophet Jeremiah Mark Biltz, 2020-10-06 Could an ancient prophet hold a present key that will reveal the future Jeremiah was an Old Testament voice but he still speaks to our day Alone and living in a time of chaos he was a prophet and Levitical priest whose fellow priests and prophets wanted him dead In fact everyone wanted him dead the political leaders his neighbors and even his family At twenty three years old Jeremiah was told to speak truth to power and not to worry what the consequences may be God told him that people love to praise the Lord but refuse to do what He says In spite of the judgments cascading upon the heads of the inhabitants of Jerusalem the Lord promised a new covenant with Israel and Judah that would revolutionize their walk with Him In *Decoding the Prophet Jeremiah* you will discover the following The warnings from God in Jeremiah's day are for our generation as well Even when you feel betrayed by everyone there is still hope God keeps His covenant and will never leave you or forsake you This book is a clarion call to all believers We need to see the bigger picture it is not about us but about God's heart and God's kingdom God is looking for warriors who are about advancing His kingdom by storming the gates of hell and setting His sons and daughters free from the clutches of the greatest narcissist of all time Mark Biltz unpacks two books of the Bible written by the prophet Jeremiah the Book of Lamentations and the Book of Jeremiah Biltz has uncovered fascinating Hebraic codes within Lamentations making this a truly unique message for readers This book will encourage you to persevere in your faith despite cultural shifts and pressures much like what the prophet Jeremiah did

Products, 1983 **Battle of the Gods: The God of Israel Versus Marduk of Babylon** Kessler, 2018-03-20 This monograph is a literary study of the oracles against Babylon in Jeremiah chapters 50 51 They form the climax of the foreign oracle collection in the book of Jeremiah Included are a survey of early scholarship on these chapters a discussion of genres and motifs verbal components and a succinct survey of the historical context However the major emphasis is directed to the dynamic of these oracles as a literary creation with a message That message is directed to Judah and Israel who are urged to flee a doomed city with its idolatrous civilization and to return to their homeland to Jerusalem to enter a permanent covenant with YHWH the God of their fathers Throughout the literature is discussed in its natural contexts within the oracle collection in Jeremiah in comparison with the Isaian oracles against Babylon and within the canonical book of Jeremiah demonstrating the climactic position of these oracles **Reading the Book of Jeremiah** Martin Kessler, 2004 Ferment is the correct word by which to characterize current Jeremiah studies a deep and broad stirring that relies on previous scholarship but that seeks to move beyond that scholarship in bold and new ways This collection of fine essays not only reflects that ferment but in important ways contributes to it and advances the discussion Most broadly the current discussion seeks to move beyond the historical critical categories of Sigmund Mowinckel and Bernhard Duhm and the classic formulation of three sources A B and C In Jeremiah as in other parts of biblical scholarship the new questions concern the inadequacy of historical critical readings of a positivistic kind and the prospect of synchronic readings either through ideological analysis that seeks to show that ideology shapes the book or through canonical readings that find a large theological intentionality to the whole of the

book It turns out perforce that ideological and canonical readings are closely twinned in their judgment about the literature
This present collection which includes both new voices and some of the established major players in the discussion merits
important attention From the preface by Walter Brueggemann
