Hudson,Mark DeRuiter,2023-10-06 This sixth edition of Professional Issues in Speech Language Pathology and Audiology is intended to be a primary text for students in speech

language pathology and audiology as well as a resource for practitioners providing a comprehensive introduction to contemporary issues that affect these professions and service delivery across settings. It aims to provide a better understanding that day to day clinical work as well as personal professional growth and development are influenced by political, social, educational, health care, and economic concerns. By instilling a big picture view of the profession, future clinicians will be more prepared to make informed decisions as they provide services, engage in advocacy efforts, and plan their careers as audiologists or speech language pathologists. The book is divided into four major sections: Overview of the Professions, Employment Issues, Setting Specific Issues, and Working Productively. The information presented in each section provides the reader with a better understanding and a new perspective on how professional issues have been affected by both internal and external influences in recent years, including technological advances, demographic shifts, globalization, and economic factors. Chapter authors are recognized subject matter experts providing a blend of both foundational and cutting edge information in areas such as evidence based practice, ethics, job searching, and employment issues, interprofessional practice, service delivery in health care and education, technology, cultural competence, supervision, and leadership. Students reading this book will appreciate how the professions have evolved over time while acquiring a sense of where they are right now as they prepare to enter the professional world. Each of the topics covered in the book will continue to play important roles in the future of speech language pathology and audiology, providing early career professionals with the requisite knowledge to achieve success in any setting.

New to the Sixth Edition: New information on issues related to the COVID 19 pandemic; Coverage of recent changes in technology; Updates to ASHA certification requirements, the Assistants certification program, and the 2023 ASHA Code of Ethics; New contributors: Nicole E Corbin, Sandra Liang, Gillam, Erin E G Lundblom, Christine T Matthews, Shari Robertson, Rachel A Ritter, and Jennifer P Taylor; Updated list of acronyms used in the book.

Key Features: Chapters authored by recognized experts in communication sciences and disorders. Each chapter begins with an introduction and ends with a summary of key areas. Critical Thinking questions for each chapter, accessible online. Case studies related to child and elder abuse. Case studies related to advocacy. Please note that ancillary content such as documents, audio, and video etc. may not be included as published in the original print version of this book.
