Sleep Donation A Novella:

Sleep Donation Karen Russell, 2020-09-29 ONE OF BUZZFEED'S BEST BOOKS OF THE YEAR For the first time in paperback a haunting novella from the uncannily imaginative author of the national bestsellers *Swamplandia* and *Orange World* the story of a deadly insomnia epidemic and the lengths one woman will go to to fight it Trish Edgewater is the Slumber Corps top recruiter On the phone at a specially organized Sleep Drive even in a supermarket parking lot Trish can get even the most reluctant healthy dreamer to donate sleep to an insomniac in crisis one of hundreds of thousands of people who have totally lost the ability to sleep Trish cries she shakes she shows potential donors a picture of her deceased sister Dori one of the first victims of the lethal insomnia plague that has swept the globe Run by the wealthy and enigmatic Storch brothers the Slumber Corps is at the forefront of the fight against this deadly new disease But when Trish is confronted by Baby A the first universal sleep donor and the mysterious Donor Y whose horrific infectious nightmares are threatening to sweep through the precious sleep supply her faith in the organization and in her own motives begins to falter Fully illustrated with dreamy evocations of Russell's singular imagination and featuring a brand new Nightmare Appendix *Sleep Donation* will keep readers up long into the night and long after haunt their dreams **Sleep Donation** Karen Russell, 2014 [Sleep Donation](#)

Karen Russell, 2020-09-29 Newly illustrated and available for the first time in years a haunting novella from the uncannily imaginative author of the national bestsellers *Swamplandia* and *Orange World* the story of a deadly insomnia epidemic and the lengths one woman will go to to fight it Trish Edgewater is the Slumber Corps top recruiter On the phone at a specially organized Sleep Drive even in a supermarket parking lot Trish can get even the most reluctant healthy dreamer to donate sleep to an insomniac in crisis one of hundreds of thousands of people who have totally lost the ability to sleep Trish cries she shakes she shows potential donors a picture of her deceased sister Dori one of the first victims of the lethal insomnia plague that has swept the globe Run by the wealthy and enigmatic Storch brothers the Slumber Corps is at the forefront of the fight against this deadly new disease But when Trish is confronted by Baby A the first universal sleep donor and the mysterious Donor Y whose horrific infectious nightmares are threatening to sweep through the precious sleep supply her faith in the organization and in her own motives begins to falter Fully illustrated with dreamy evocations of Russell's singular imagination and featuring a brand new Nightmare Appendix *Sleep Donation* will keep readers up long into the night and long after haunt their dreams *Sleep and the Novel* Michael Greaney, 2018-04-04 *Sleep and the Novel* is a study of representations of the sleeping body in fiction from 1800 to the present day which traces the ways in which novelists have engaged with this universal indispensable but seemingly nondescript region of human experience Covering the narrativization of sleep in Austen the politicization of sleep in Dickens the queering of sleep in Goncharov the aestheticization of sleep in Proust and the medicalization of sleep in contemporary fiction it examines the ways in which novelists envision the figure of the sleeper the meanings they discover in human sleep and the values they attach to it It argues that literary fiction

harbours on its margins a sleeping partner one that we can nickname the Schlafroman or sleep novel whose quiet absorption in the wordlessness and passivity of human slumber subtly complicates the imperatives of self awareness and purposive action that traditionally govern the novel

Wild Nights Benjamin Reiss, 2017-03-07 Why the modern world forgot how to sleep Why is sleep frustrating for so many people Why do we spend so much time and money managing and medicating it and training ourselves and our children to do it correctly In *Wild Nights* Benjamin Reiss finds answers in sleep's hidden history one that leads to our present sleep obsessed society its tacitly accepted rules and their troubling consequences Today we define a good night's sleep very narrowly eight hours in one shot sealed off in private bedrooms children apart from parents But for most of human history practically no one slept this way Tracing sleep's transformation since the dawn of the industrial age Reiss weaves together insights from literature social and medical history and cutting edge science to show how and why we have tried and failed to tame sleep In lyrical prose he leads readers from bedrooms and laboratories to factories and battlefields to Henry David Thoreau's famous cabin at Walden Pond telling the stories of troubled sleepers hibernating peasants sleepwalking preachers cave dwelling sleep researchers slaves who led nighttime uprisings rebellious workers spectacularly frazzled parents and utopian dreamers We are hardly the first people Reiss makes clear to chafe against our modern rules for sleeping A stirring testament to sleep's diversity *Wild Nights* offers a profound reminder that in the vulnerability of slumber we can find our shared humanity By peeling back the covers of history Reiss recaptures sleep's mystery and grandeur and offers hope to weary readers as sleep was transformed once before so too can it change today

Disability and the Posthuman Stuart Fletcher Murray, 2020-05-08 *Disability and the Posthuman* is the first study to analyse cultural representations and deployments of disability as they interact with posthumanist theories of technology and embodiment Working across a wide range of texts many new to critical enquiry in contemporary writing film and cultural practice from North America Europe the Middle East and Japan it covers a diverse range of topics including contemporary cultural theory and aesthetics design engineering and gender the visualisation of prosthetic technologies in the representation of war and conflict and depictions of work time and sleep While noting the potential limitations of posthumanist assessments of the technologized body the study argues that there are exciting productive possibilities and subversive potentials in the dialogue between disability and posthumanism as they generate dissident crossings of cultural spaces Such intersections cover both fictional imagined and material grounded examples of disability and look to a future in which the development of technology and complex embodiment of disability presence align to produce sustainable yet radical creative and critical voices

Restless in Sleep Country Paul Huebener, 2024-05-14 Sleep and the lack of it is a public obsession and an enormous everyday quandary Troubled sleep tends to be seen as an individual problem and personal responsibility to be fixed by better habits and tracking gadgets but the reality is more complicated Sleep is a site of politics culture and power In *Restless in Sleep Country* Paul Huebener pulls back the covers on cultural representations of sleep to

show how they are entangled with issues of colonialism homelessness consumer culture technology and privacy the exploitation of labour and the effects of the Covid 19 pandemic Even though it almost entirely evades direct experience sleep is the subject of a variety of potent narratives each of which can serve to clarify and shape its role in our lives In Canada cultural visions of slumber circulate through such diverse forms as mattress commercials billboards comic books memoirs experimental poetry and bedtime story phone apps By guiding us through this imaginative landscape Huebener shows us how to develop a critical literacy of sleep Lying down and closing our eyes is an act that carries surprisingly high stakes going beyond individual sleep troubles Restless in Sleep Country illuminates the idea of sleep as a crucial site of inequity struggle and gratification **The Encyclopedia of Contemporary American Fiction, 2 Volumes** Patrick

O'Donnell, Stephen J. Burn, Lesley Larkin, 2022-03-01 Neue Perspektiven und aufschlussreiche Erörterungen der zeitgenössischen amerikanischen Belletristik Mit der Encyclopedia of Contemporary American Fiction 1980 2020 präsentiert ein Team renommierter Geisteswissenschaftler eine umfassende zielgerichtete Sammlung von Beiträgen zu einigen der bedeutendsten und einflussreichsten Autoren und literarischen Themen der letzten vier Jahrzehnte In aktuellen Beiträgen bekannter und neuer Autoren werden so unterschiedliche Themen wie Multikulturalismus zeitgenössische Regionalismen Realismus nach dem Poststrukturalismus indigene Erzählungen Globalismus und Big Data im Kontext der amerikanischen Belletristik der letzten 40 Jahre betrachtet Die Enzyklopädie bietet einen Überblick über die amerikanische Belletristik zur Jahrtausendwende sowie einen Ausblick auf die Zukunft In diesem Werk findet sich eine ausgewogene Mischung aus Analyse Zusammenfassung und Kritik für eine erhellende Betrachtung der enthaltenen Themen Außerdem enthält das Werk Eine spannende Mischung von Beiträgen bekannter und aufstrebender Autoren aus aller Welt in denen zentrale aktuelle Themen der amerikanischen Belletristik diskutiert werden Eine gezielte kritische Betrachtung von Autoren und Themen die für die amerikanische Belletristik von wesentlicher Bedeutung sind Themen in denen sich die Energie und die Tendenzen in der zeitgenössischen amerikanischen Belletristik in den vierzig Jahren zwischen 1980 und 2020 widerspiegeln Die Encyclopedia of Contemporary American Fiction 1980 2020 ist ein unverzichtbares Nachschlagewerk für Studierende und Doktoranden in den Bereichen amerikanische Literatur Englisch kreatives Schreiben und Belletristik Darüber hinaus darf das Werk in den Bibliotheken von Geisteswissenschaftlern nicht fehlen die nach einer maßgeblichen Sammlung von Beiträgen bekannter und neuerer Autoren der zeitgenössischen Belletristik suchen **Technosleep** Catherine Coveney, Michael Greaney, Eric L. Hsu, Robert

Meadows, Simon J. Williams, 2023-06-25 This book draws on a variety of substantive examples from science technology medicine literature and popular culture to highlight how a new technoscientifically mediated and modified phase and form of technosleep is now in the making in the global north at least and to discuss the consequences for our relationships to sleep the values we accord sleep and the very nature and normativities of sleep itself The authors discuss how technosleep at its simplest denotes the coming together or entanglements of sleep and technology and sensitizes us to various shifts in sleep

technology relations through culture time and place In doing so it pays close attention to the salience and significance of these trends and transformations to date in everyday night life their implications for sleep inequalities and the related issues of sleep and social justice they suggest Imagination Ruha Benjamin,2024-02-06 Start here and then go about the work of imagining the world anew Arimeta Diop Vanity Fair In this revelatory work Ruha Benjamin calls on us to take imagination seriously as a site of struggle and a place of possibility for reshaping the future A world without prisons Ridiculous Schools that foster the genius of every child Impossible Work that doesn't strangle the life out of people Naive A society where everyone has food shelter love In your dreams Exactly Ruha Benjamin Princeton University professor insists that imagination isn't a luxury It is a vital resource and powerful tool for collective liberation Imagination A Manifesto is her proclamation that we have the power to use our imaginations to challenge systems of oppression and to create a world in which everyone can thrive But obstacles abound We have inherited destructive ideas that trap us inside a dominant imagination Consider how racism sexism and classism make hierarchies exploitation and violence seem natural and inevitable but all emerged from the human imagination The most effective way to disrupt these deadly systems is to do so collectively Benjamin highlights the educators artists activists and many others who are refuting powerful narratives that justify the status quo crafting new stories that reflect our interconnection and offering creative approaches to seemingly intractable problems Imagination A Manifesto offers visionary examples and tactics to push beyond the constraints of what we think and are told is possible This book is for anyone who is ready to take to heart Toni Morrison's instruction Dream a little before you think A Study Guide for Karen Russell's "St. Lucy's Home for Girls Raised by Wolves" Gale, Cengage,2018-09-13 A Study Guide for Karen Russell's St Lucy's Home for Girls Raised by Wolves excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs

Consequences of sleep deprivation Ritchie Edward Brown,Andrea Romigi,2023-08-14 The Changeling Joy Williams,2018-04-10 With a new introduction by Karen Russell the 40th anniversary edition of The Changeling is a visionary fairy tale and a work of mythic genius by one of our best writers Forty years later The Changeling is no less haunting and no less visionary than the day it was published but it has only become clearer that Joy Williams is a virtuosic stylist and a singular thinker a genius in every sense of the word When we first meet Pearl young in years but advanced in her drinking she's on the lam sitting at a hotel bar in Florida throwing back gin and tonics with her infant son cradled in the crook of her arm But her escape is brief and the relief she feels at having fled her abusive husband and the Northeastern island his family calls home doesn't last for long Soon she's being shepherded back The island for Pearl is a place of madness and pain and her round the clock drinking spurs on the former even if it dulls the latter And through this lens Pearl's fragile consciousness readers encounter the horror and triumph of both childhood and motherhood in a new light With language that flits between

exuberance and elegy the plainspoken and the poetic Joy Williams has blended as Rick Moody writes the arresting improbabilities of magic realism with the surrealism of the folkloric revival and with the modernist foreboding of *Under the Volcano* and created something entirely original and entirely consuming

Twentieth-Century and Contemporary American Literature in Context Linda De Roche, 2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research

The Best American Science Fiction and Fantasy 2015 Joe Hill, John Joseph Adams, 2020-06-11 Imaginative fiction from Neil Gaiman Karen Russell Daniel H Wilson and more selected by New York Times bestselling author Joe Hill Science fiction and fantasy enjoy a long literary tradition stretching from Mary Shelley H G Wells and Jules Verne to Ray Bradbury Ursula K Le Guin and William Gibson In The Best American Science Fiction and Fantasy 2015 award winning editor John Joseph Adams and Joe Hill deliver a diverse and vibrant collection of stories published in the previous year Featuring writers with deep science fiction and fantasy backgrounds along with those who are infusing traditional fiction with speculative elements these stories uphold a longstanding tradition in both genres looking at the world and asking What if The Best American Science Fiction and Fantasy 2015 includes Kelly Link Neil Gaiman Karen Russell T C Boyle Sofia Samatar Jo Walton Cat Rambo Daniel H Wilson Seanan McGuire Jess Row and more The overall quality of the work is very high Publishers Weekly

Tales of Two Americas John Freeman, 2017-09-05 Thirty six major contemporary writers examine life in a deeply divided America including Anthony Doerr Ann Patchett Roxane Gay Rebecca Solnit Hector Tobar Joyce Carol Oates Edwidge Danticat Richard Russo Eula Bliss Karen Russell and many more America is broken You don t need a fistful of statistics to know this Visit any city and evidence of our shattered social compact will present itself From Appalachia to the Rust Belt and down to rural Texas the gap between the wealthiest and the poorest stretches to unimaginable chasms Whether the cause of this inequality is systemic injustice the entrenchment of racism in our culture the long war on drugs or immigration policies it endangers not only the American Dream but our very lives In *Tales of Two Americas* some of the literary world s most exciting writers look beyond numbers

and wages to convey what it feels like to live in this divided nation Their extraordinarily powerful stories essays and poems demonstrate how boundaries break down when experiences are shared and that in sharing our stories we can help to alleviate a suffering that touches so many people

Novel Technologies in the Diagnosis and Management of Sleep-disordered Breathing Henri Korkalainen,Ding Zou,2024-03-13 Sleep disordered breathing ranging from habitual snoring to severe obstructive sleep apnea is highly prevalent and represents a growing global healthcare burden Besides disrupting sleep sleep disordered breathing leads to detrimental outcomes such as excessive daytime sleepiness neurocognitive impairment and increased cardiometabolic morbidities The gold standard diagnostic procedures e g in lab polysomnography are cumbersome and standard parameters derived from sleep studies often yield poor long term prognostic value Hence there is a need for innovative diagnostic technologies and novel sleep metrics to enable simple diagnosis and tailored disease management

Book Wars John B. Thompson,2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time From the surge of ebooks to the self publishing explosion and the growing popularity of audiobooks Book Wars provides a comprehensive and fine grained account of technological disruption in one of our most important and successful creative industries Like other sectors publishing has been thrown into disarray by the digital revolution The foundation on which this industry had been based for 500 years the packaging and sale of words and images in the form of printed books was called into question by a technological revolution that enabled symbolic content to be stored manipulated and transmitted quickly and cheaply Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw the world in very different ways The book wars had begun While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences lie elsewhere The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms Most important of all it has transformed the broader information and communication environment creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future

The Antidote Karen Russell,2025-03-11 From Pulitzer finalist MacArthur Fellowship recipient and bestselling author of Swamplandia and Vampires in the Lemon Grove Karen Russell a gripping dust bowl epic about five characters whose fates become entangled after a storm ravages their small Nebraskan town The Antidote opens on Black Sunday as a historic dust storm ravages the fictional town of Uz Nebraska But Uz is already collapsing not just under the weight of the Great Depression and the dust

bowl drought but beneath its own violent histories *The Antidote* follows a Prairie Witch whose body serves as a bank vault for peoples memories and secrets a Polish wheat farmer who learns how quickly a hoarded blessing can become a curse his orphan niece a basketball star and witch s apprentice in furious flight from her grief a voluble scarecrow and a New Deal photographer whose time traveling camera threatens to reveal both the town s secrets and its fate Russell s novel is above all a reckoning with a nation s forgetting enacting the settler amnesia and willful omissions passed down from generation to generation and unearthing not only horrors but shimmering possibilities *The Antidote* echoes with urgent warnings for our own climate emergency challenging readers with a vision of what might have been and what still could be **The**
