

The Christianity Myth

Alex McFarland

The Christianity Myth:

The Christian Myth Burton L. Mack, 2001 Mack rejects depictions of Jesus that have emerged from the quest for the historical Jesus peasant teacher revolutionary leader mystical visionary or miracle working prophet on the grounds that they are based on a priori assumptions about Jesus and are therefore contradictory In addition he argues these portrayals are untrue to the many images of Jesus produced by the early Christians Using systematic analysis Mack seeks to describe and understand the cultural and anthropological influences on the conception and adoption of Christian myths and rituals The Christianity Myth K.A.G. Thackeray, 2015-01-06 In his new book The Christianity Myth K A G Thackeray examines what little we know about first century Christianity He also examines what little we think we know about first century Christianity He concludes that there are two ways of explaining how Christianity started One way is the traditional way with divine intervention and the other way is Thackerays way without divine intervention Thackerays way is both novel and intriguing and his very provocative ideas are destined to ruffle more than just a few feathers The Christianity Myth is a very controversial eye opening expose that challenges Christianitys very essence and both Christians and non Christians alike will find it a riveting read **The Christian Mythology** Brigham Leatherbee, 2020-09-28 That Christianity as to day presented

by the orthodox is far different from the Christianity promulgated by the early fathers few are so blinded as to doubt Christianity like all other religions came not into the world full grown but from the simple conceptions of its early followers became gradually elaborated by the introduction of pagan forms and customs until it supplanted its early rivals and gave its adherents a compact and solid theology not very different from that of its predecessors However before considering the genealogy of Christianity or its heirlooms from paganism let us turn our attention to what were presumably the beginnings of the religious views of mankind Probably the true source of that human characteristic which is defined as the religious instinct and which is supposed to be an elevating and moral agent is to be found in the superstition which originated in fear of the unknown The first ages of human life were so devoted to the animal needs that little attention was given to anything else but later the craving for protection and help from some power greater than himself led primitive man to look about him for something to sustain and aid him in his struggle for existence Surrounded by natural phenomena of which he could give no explanation satisfactory to his experience he came to the conclusion that he was in an environment permeated with bodiless intelligences who governed these matters by supernatural power Awed to fear by the inexplicable workings of nature he sought to propitiate the spiritual agencies by bribes and he did all things for them which he thought would be agreeable to them to keep them in good natured interest or indifference toward him And naturally he considered that what would be pleasing to himself would be pleasing to them Therefore his offerings and his conduct towards these spirits were such as he would have desired shown toward himself Death and its imitation sleep being the greatest mysteries confronting him he naturally began to consider the spirits of the dead with whom he seemed to have intercourse in his dreams as being

influential factors in his career and thus originated ancestor worship with its highly developed rites and sacrifices which in a modified form still exists in the Roman church in the practice of reading masses for the souls of the dead At the same time noticing the great benefits derived from the warmth of the sun to whose rays he owed his subsistence and whose glorious and awful presence was constantly before him man began to feel grateful to that mighty power which was the source of all his welfare and appreciating that all terrestrial life depended upon it he came to recognize it as the great creative power

The Rise and Fall of the Christian Myth Burton L. Mack, 2017-01-01 A preeminent scholar explores the evolution of the Christian worldview and argues that it no longer offers a satisfactory vision for our democratic multicultural society This book is the culmination of a lifelong scholarly inquiry into Christian history religion as a social institution and the role of myth in the history of religions Mack shows that religions are essentially mythological and that Christianity in particular has been an ever changing mythological engine of social formation from Roman times to its distinct American expression in our time The author traces the cultural influence of the Christian myth that has persisted for sixteen hundred years but now should be much less consequential in our social and cultural life since it runs counter to our democratic ideals We stand at a critical impasse badly splintered by conflicting groups pursuing their own social interests a binding common myth needs to be established by renewing a truly cohesive national and international story rooted in our democratic and egalitarian origins committed to freedom equality and vital human values Provided by publisher

Shattering the Christ Myth James Patrick Holding, 2008-06 How To Get Rid of Jesus Prove He Didn't Exist A popular question posed by Christians today asks WWJD which stands for What Would Jesus Do For more and more Skeptics of Christianity however the answer to this question is JDNE which stands for Jesus did not exist In this volume edited by prominent Internet apologist James Patrick Holding a team of Christian authors provide a series of essays giving detailed answers to those who argue for the Christ myth Though rejected by mainstream scholars this theory continues to grow in popularity among popular writers and Internet antagonists The need for Christians to be ready to give an answer to it will only become more urgent Here's a clear and compelling rebuttal to fallacious claims that keep resurfacing in books and on the Internet It's well researched expertly presented and ultimately convincing Lee Strobel author The Case for the Real Jesus

Christianity and Mythology John M. Robertson, 2023-01-10 The three treatises making up this volume stand for a process of inquiry which began to take written form in the 1870s It set out with a certain scientific principle and a certain historical purpose the principle being that Christian origins should be studied with constant precaution against the common assumption that all myths of action and doctrine must be mere accretions round the biography of a great teacher broadly figured by the Gospel Jesus while the practical purpose was to exhibit The Rise of Christianity Sociologically Considered To that end the author was prepared to assume a primitive cult arising in memory of a teacher with twelve disciples But the first independent explorations the first rigorous attempts to identify the first Jesuists led to a series of fresh exposures of myth Jesus of Nazareth turned out to be a

compound of an already composite Gospel Jesus an interposed Jesus the Nazarite and a superimposed Jesus born at Nazareth And none of the three aspects equated with the primary Jesus of Paul Each in turn was in Paul s words another Jesus whom we have not preached And the Twelve Apostles were demonstrably mythical **The Christian Mythology** E. B.

Leatherbee,2020-07-16 The Christian Mythology is a study on the Christian folklore and how much the heathen rituals influenced the development of a certain version of Christianity in different parts of the world The goal of the work was to show that the modern religion doesn t offer much new or different from what has been believed in the many epochs of the past Religious feelings of primitive man were driven by fear and superstition and the various forms of worship predominated in different geographical situations Christianity like all primitive or modern religions leans on the ancient myths and legends taking a somewhat different version in various geographical locations but with the same form as every religious system

The Christ Myth Mark Gerard Craig,Mark Gerard Craig Med,2016-05-28 Jesus did not exist This claim has gained a great deal of momentum within popular culture currently and threatens what many Christians hold sacred that Jesus of Nazareth lived and was the incarnation of God the second person of the Holy Trinity It is not uncommon to find people both educated and uneducated in New Testament studies jumping on this bandwagon of Christological nihilism and stating categorically that there is no evidence for an historical Jesus This book examines the hypothetical What if If Jesus did not exist would Christianity have a future This author contends that if it could be proven conclusively that Jesus did not exist the Christian Myth would nevertheless continue to bring profound and mystical meaning to the lives of people everywhere While Craig firmly considers the Historical Jesus to have been a real person he explores the hypothetical notion of Jesus non existence as propounded by so many today showing how the Christian Myth as an archetypal symbol continues to retain relevance He does this by deconstructing the Jesus narrative viewing it through the lens of science mythology and spirituality thus demonstrating its inherent ability to make meaning for people in post modern context *Fifty Christian Myths* Jerald

Morris,2016-08-08 Fifty Christian Myths was written to address questions that are very common to understanding basic Christianity doctrine and of course some theology The author is suggesting that you evaluate your Christian etiquette belief or value system We all have questions and good questions bring good answers Better questions bring better answers Superior questions will yield superior answers So what is this book about Basically in a spiritual nutshell the size of our solar system I explain my central position of my faith in Christ Jesus I have produced a serious in depth study of what I have compiled as my personal objective view of sharing notes conversations and observations between many born again Christians pastors and lay leaders in the Christendom My position is that we need to let the scriptures speak with the power of the Holy Spirit without mixing human worldviews This will prevent us from creating a composite half truth based on our personal view of human interpretation and understanding to live the Christian life God bless you for reading this expos and I pray that the Lord Jesus Christ will become more defined in your walk with Him to seek His truth The Christian Mystery Louis

Bouyer,2004-07-10 Mysticism has a place in all the major world religions This book begins with the assertion that Christian Mysticism in its most essential state is the mystery of Christ's union with God Certain major theologians including Albert Ritschl and Karl Barth have stood in opposition to the concept of mysticism and have even suggested that it is opposite to the heart of the Gospel and indeed the whole Bible Yet Bouyer here makes a strong argument for understanding Mysticism as central to the Christian faith This analysis of mysticism is contrasted with its place in pagan religions and its role throughout Christian history In so doing Bouyer reveals the significance of mysticism for understanding the meaning of life **Hymns**

and the Christian Myth Lionel Adey,2011-11-01 From its beginnings in the Bible Christian hymnology has fulfilled three functions praise recital and teaching of the Myth and collective and personal adoration as well as the foundation and worship of the church In Hymns and the Christian Myth Lionel Adey demonstrates that over the centuries shifts emphasizing particular elements of the Christian faith accord with the interests and concerns of the times in which the hymns were composed Using a broad range of texts Adey deals with major themes of every period from biblical times to the early twentieth century In tracing the changes in representation of the Father Son Holy Spirit and Four Last Things in early and medieval Latin hymns post Reformation chorales and psalm based hymns and English hymns from the time of Watts the book shows an increasing sense of personal response to the Incarnation and Passion of Christ and of participation in His redemptive work Chapters on hymnody of the Nativity and Passion illustrate the tendency of monastic poets the Learned tradition to focus on dogma mystery and paradox and carolists the Popular tradition to convey devotional tenderness Those on hymnody of the Holy Spirit illustrate a shift through the medieval period from representing pentecostal events to exploring their spiritual meaning During the Reformation and the Evangelical Revival the weight of hymnody shifts first to the Father and then to the Son's Passion and Atonement applied personally and inwardly re-lived by the convert Most consistently hymnic representations of the Last Things shift their focus from collective to individual judgement from death as sleep until the general awakening to death as instant passage to reunion with family and friends As a hymnologist rather than a theologian Adey makes no pronouncements on the truth of Christian beliefs His focus is on how poets have expressed them over two millenia As such the book will interest not only students of religion but also those in such related disciplines as literature psychology history and sociology **Myth Busted!**

Jeffrey Burton Russell,2014-03-01 145 misconceptions about Christianity are argued against in an accessible and philosophical way Myth Busted is a unique and engaging work of apologetics that seeks to convince readers about the claims of Christianity whilst debunking the layers of myths and assumptions that might have grown around its kernel An encyclopaedic attempt at getting to answers to the questions that often get in the way This is Christian apologetics at its best compelling readable convincing and informed Distortions myths and lazy assumptions are all challenged Encyclopaedic in scope all the major questions are considered Jeffrey Burton Russell demonstrates exceptional competence and mastery of the literature What C S Lewis's Mere Christianity did in the 1940s Jeffrey Burton Russell has

done for us For those seeking and for those who doubt this is a must read book Ian Markham president and professor of theology Virginia Theological Seminary USA *The God You Thought You Knew* Alex McFarland,2015-09-29 Popular Apologist Corrects the Record on What Christianity Is All About The Christianity our culture rejects may not be true Christianity at all So many people today believe they have to be good to be accepted by God or that the Bible is just a list of do s and don ts or that God is far away and unapproachable Instead of providing proofs about God and the Bible in this book Alex provides a reason to want to know Jesus By sharing his own story of the loneliness and alienation of his youth Alex taps in to universal fears of rejection and loneliness We all seek acceptance and purpose and there s only one solution Learn how to be anchored in the Truth and security that comes through Christ **Moving Beyond the Christian Myth: The Next Step in Our Spiritual Evolution** John W. Sloat,2011-12-05 Moving Beyond The Christian Myth takes the next step beyond Sloat s first book on spirituality A Handbook For Heretics He explores the roots of the Christian faith tracing them back to their pagan origins in ancient religions Then one by one he analyzes the essential beliefs of Christianity showing how they cannot literally be true The various chapters contend that Christianity is a religious myth We don t need a savior The Bible is not the Word of God Jesus is not God The church is more political than spiritual The remainder of the book is filled with stories of mystical experiences which demonstrate how the spirit world is an integral part of our daily lives These topics include Out of Body Experiences Visions Past Life Recalls After Death Communication Angel Communication Pre Birth Experiences and Coincidence Sloat argues that these stories reveal spiritual truths which are not part of the traditional teachings of religion He asks the church to admit that its story is based on myth rather than literal truth he urges the church to incorporate these experiences into its belief system and he concludes by presenting a vision of a future in which people can worship God as the creator not of a religion based on the fear of hell but of a spiritual kingdom founded on love light and hope This book will be an inspiration to all those who are seeking something beyond the mythological teaching of the past About the Author John W Sloat a former Presbyterian minister served churches in Pennsylvania and Ohio for over 40 years He holds a B A from Denison University 1954 an M Div from Princeton Seminary 1957 and a Th M from Pittsburgh Seminary 1977 Previous books include Lord Make Us One non fiction 1986 The Other Half fiction 2001 Memories of My Misadventures fiction 2008 and A Handbook For Heretics non fiction second edition 2009 Several of his sermons have been included in Pulpit Digest a national preaching journal He has been married to Helen Burdick Sloat a psychiatric nurse for 56 years and they have three children eight grandchildren and four great grandchildren A pianist and organist Sloat also plays the French horn is a scratch model builder and leads spirituality groups [The Myth of Christian Beginnings](#) Robert L. Wilken,2009-05-04 In this challenging and vividly written book Dr Wilken shows that there never was a golden age in the Christian past Christian hope did not come to fulfillment in the age of apostles nor in the time of Constantine nor in the Middle Ages nor during the Reformation nor in the revivals of the 19th century nor in the movements of renewal in our own

time The history of Christianity is a story of imperfection and fragmentation but also a history of hoping and striving for an end that cannot be seen yet bears on the present With lively examples from the Christian past Wilken shows that change has been an abiding feature of Christian tradition Often those who proposed new ways of thinking and acted in unexpected ways turned out to be more faithful than those who repeated the old formulas As much as the past may give specificity and concreteness to renewal in the present Christian hope is set on things that are yet to be **The Dead Sea Scrolls and the Christian Myth** , *Myth and the Christian Nation* Burton L. Mack,2014-12-18 America is widely regarded as the ultimate Christian Nation Religious language has always been at the forefront of American politics but this has increased since the events of 9 11 *Myth and the Christian Nation* presents a startling analysis of how and why Christianity and national identity have been woven together in recent American political discourse Drawing on examples of religious myth making across the ancient world *Myth and the Christian Nation* brings the weight of history to bear on America today a place where myth monotheism sovereignty and power can be harnessed together in the service of specific interests The book invites readers to rethink the role of religion in the construction of social democracy and to see America afresh The Christian Mythology Unveiled Logan Mitchell,1842 **Christianity and Mythology** John Mackinnon Robertson,1900 Myth and the Christian Nation Burton L. Mack,2008 Deals with the social theory of religion and culture This study offers a meditation on the public discourse about the Christian nation in light of the social situation in the United States and ends with an invitation to rethink the role of religions in constructing a polycultural social democracy

The Christianity Myth Introduction

In today's digital age, the availability of The Christianity Myth books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Christianity Myth books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Christianity Myth books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Christianity Myth versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Christianity Myth books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Christianity Myth books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Christianity Myth books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the

Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Christianity Myth books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Christianity Myth books and manuals for download and embark on your journey of knowledge?

FAQs About The Christianity Myth Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Christianity Myth is one of the best book in our library for free trial. We provide copy of The Christianity Myth in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Christianity Myth. Where to download The Christianity Myth online for free? Are you looking for The Christianity Myth PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Christianity Myth. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Christianity Myth are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library

for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Christianity Myth. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Christianity Myth To get started finding The Christianity Myth, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Christianity Myth So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Christianity Myth. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Christianity Myth, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Christianity Myth is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Christianity Myth is universally compatible with any devices to read.
