The Clairvoyants Handbook A Practical Guide To Mediumship:

The Clairvoyant's Handbook - a Practical Guide to Mediumship A. L. Hale, 2012-10 Possibly the most user friendly how to learn clairvoyance book you will find It describes aspects of the authors journey from a new learner and previous skeptic to a practicing medium with all of the highs lows and difficulties experienced along the way This is an absolute must for anyone who is trying to develop their clairvoyant abilities or for those who are simply curious about the spirit world The exercises are so easy to follow the first down to earth spiritual book with a large dose of humour thrown in

The Psychic & Spiritual Awareness Manual Kevin West, 2014-10-31 The Psychic Spiritual Awareness Manual is aimed at people who wish to develop their psychic and spiritual awareness in a very practical way Although organically linked each chapter deals with a separate aspect of development and also acts as a diagnostic empowering tool It is a companion to the teacher and student of these disciplines alike and is based around the Spiritualist and New Age approach to full realisation It fills the gap left by so many books written by people who are not true experienced practitioners or adepts in these fields This book is filled with helpful exercises and hands on useful techniques designed to empower the reader and awaken within them a sense of who what why where and how they are The chapters include lessons and writings on healing meditation psychic awareness clairvoyance psychometry scrying psychic and spiritual philosophy colours auras and their energies sitting in circle and much more This book is not a narrative it is a manual

The Medium and Daybreak, 1876

A PRACTICAL GUIDE for the SPIRITIST Miguel Vives, 2007-08 Having faced adversity and tragedy in his early life Miguel Vives found salvation in Spiritism and renown and success as a healing and spiritual medium Yet while Vives made his mark as a nineteenth century Spiritist for anyone who is determined to achieve moral and spiritual advancement in this lifetime and beyond his teachings shine as a twenty first century beacon of inspiration and affirmation In this concise guidebook translated from Spanish by Edgar Crespo Vives draws a precise roadmap that shows how we can reach a new level of spiritual fulfillment and a profound sense of peace and communion with humanity Based on his understanding of the natural and spiritual law of reincarnation Vives provides guidelines for our obligations to our Creator and to Jesus based on a universal moral code that goes beyond any creed or religion Vives also shows how we are to behave with love and charity with our families with ourselves and with all other persons even those who bring heartache and pain Steered by an abiding devotion to moral and ethical conduct Vives spells out how we can obtain the moral courage to triumph over the challenges of life

The Psychic's Handbook Julie Soskin, 2012-01-01 Once the seer the priestess and the sage were revered by their community Their roles were considered sacred the practising of an art requiring training and experience like any other art All these individuals tuned into their psycho spiritual powers on our behalf But each of us has always had the ability to draw upon these powers directly inside ourselves This book shows us not only how to exploit our psycho spiritual potential it also shows us how to navigate the different realms of inner experience that are our birthright Psycho spiritual powers can take time and expertise to discern

especially for the novice How do we know what we are dealing with Does the information made available to us derive from the subtle energies around the body or does it come from some discarnate being Or perhaps from an alter ego the personification of hopes and fears from aspects of our projected selves This book is drawn from research and first hand experience from thousands of consultations and teaching sessions over many years In addition the author at the end of each chapter uses anecdotes to illustrate and enlighten the reader and these are sometimes humorous sometimes sad sometimes philosophical and always true Well implemented psychic and intuitive guidance can help to move the individual towards wholeness a new dawn based on working with the heart and the energy of unconditional love This in turn radiates out to affect the whole of our society Psycho spiritual powers enlarge our lives beyond measure Julie is preparing those who choose to raise their consciousness and see beyond the immediate The late Eileen Caddy author and co founder of the Findhorn Foundation

The Practical Psychic Self-Defense Handbook Robert Bruce, 2011-03-01 Is everything that goes on in your mind really you Perhaps not says Australian psychic researcher Robert Bruce Drawing on more than two decades of firsthand research and experience Bruce reports that our minds are subject to influences from many unseen spiritual sources Some of these can influence how we think feel act and even how our bodies function They can make us unhappy irritable confused sick unstable even crazy This is why we need practical tools and countermeasures for psychic self defense all of which Bruce provides This is the ultimate guide to combating the influences of earthbound spirits deranged ghosts astral snakes and spiders demonic spirits and poltergeists This is a highly anecdotal and comprehensive practical guide to the dark side of the psychic universe

The Mother's Manual Audrye S. Arbe, 2019-08-05 Who am I and where do I come to write this book I feel it necessary to address all aspects of motherhood so I decided to include both the sweetness and delight plus the shadow side of motherhood in this book Some challenging life situations occur that are vital for us to consider so I am including some disquieting statistics Because many women and men have refrained from checking within themselves or making an examination on emotional mental physical and spiritual planes about having children hardships have been created both personally and planetary
