The Collaborator English Edition:

The Collaborators Pierre Siniac, 2010 A noir set in the seediest backwaters of the French publishing industry The Collaborators tells the story of a hapless drifter who after years of not particularly heroic effort finally manages to write a book A good book A bad book Well it s complicated and soon the complications he s set in motion spiral entirely out of control Praised by Pierre Bayard in How to Talk About Books You Haven t Read and finally available in English by one of our greatest translators The Collaborators is both a sinister thriller and a comedy of outrageous proportions Under the title Ferdinaud Celine The Collaborators was published in French in 1997 to great acclaim Isaac Bashevis Singer: His Work and his World Hugh Denman, 2021-12-28 A quarter of a century after Isaac Bashevis Singer was awarded the Nobel Prize for Literature it is time to take stock of his achievement Penetrating studies of his fictional and autobiographical works by leading scholars in the field reveal that for all the acclaim he has received on the basis of the English versions of his works no adequate evaluation of Bashevis s significance can be made without careful examination of the original Yiddish texts Critical readings assess inter alia his themes and motifs the impact of Kabbalah on his work reflections of society in his original Polish homeland as well as his place within the context of contemporary Jewish American letters and the canon of modern Yiddish and Hebrew writing
