The Millionaire Code Paul B. Farrell, 2004-04-02 Praise for *THE MILLIONAIRE CODE*: A wonderfully worthy book, especially in an era when the wrong kind of capitalism has been in the driver's seat. *The Millionaire Code* is about something far more noble than money: the joy of living your life to the fullest, simply by finding what it is you love to do and then doing it. Hats off to Paul Farrell for picking up where William Shakespeare left off: This, above all, to thine ownself be true. John C. Bogle, Founder and former CEO, The Vanguard Group. To make your savings grow, you need to know three things: the way the markets work, the way market history works, and the way you work. Let Paul Farrell take you on an enlightening, enjoyable, and profitable journey to the inner self of the successful investor. William J. Bernstein, PhD, MD, author of *The Four Pillars of Investing: Lessons for Building a Winning Portfolio* and *The Intelligent Asset Allocator*. Combining personality theory, solid investment advice, and Zen philosophy, Paul Farrell demonstrates concretely how necessary it is to combine your personality and investing styles in order to create meaningful wealth. If you want to learn what it takes to develop your own unique investment strategy, the only kind likely to succeed, this is the book to get. Dr. Richard Geist, Clinical Instructor, Department of Psychiatry, Psychology, Harvard Medical School. An important work. Leave it to Paul Farrell to provide a truly unique insight into the minds of millionaire investors. I have been impressed with Paul Farrell's work for many years. His latest book, *The Millionaire Code*, provides an important contribution to the world of investing. Truly unique insights. Charles Carlson, author *Eight Steps to Even Figures*. *The Investment*
