The Meaning of the Astrological Jupiter* Liz Greene,2025-04-14 Jupiter has been perceived for centuries as the Greater Benefic and many astrologers assume that this planet will always herald good fortune opportunities for betterment and material and emotional rewards Sometimes this interpretation is entirely valid At other times it isn t Jupiter s expression in an individual life and on a collective level is rarely simple and sometimes anything but benefic and Jupiter transits can reveal a contradictory picture Sometimes great opportunities arise and life is enhanced Sometimes the transit coincides with the collapse of relationships financial hardship the onset of serious illness and even death Sometimes both expressions occur at once And in natal charts Jupiter aspects are not always benign in the accepted sense of the word In astrology several planets are associated with complexity and mystery especially Neptune and Pluto But Jupiter is in some ways the most enigmatic of all the heavenly bodies in our solar system What does Jupiter really symbolise These three seminars given by Liz Greene for CPA and MISPA students in 2021 explore the enigmatic paradoxical and unpredictable Jupiter to find a clearer understanding of this tricky and magical planet *Working with Midpoints* Kathy Allan,2024-01-01 A simple yet often overlooked astrological technique The information that midpoints provide is astonishing they can mirror what is going on in

the world in many cases providing the missing link that explains what is really happening when traditional astrology fails Veteran astrologer and author Kathy Allan has crafted a new manual that will teach readers to hone their basic chart reading and predictive skills through working with midpoints long considered a specialized topic in the field of astrology Initially inspired by the astrology classic *Working with Astrology* by Charles Harvey and Mike Harding Allan wanted to create a more user friendly textbook Exercises are included at the end of each chapter After explaining what midpoints are and how to find them Allan uses in depth case studies that examine the lives and horoscopes of such cultural icons as Carl Jung Evangeline Adams and Stephen King demonstrating midpoints in action Allan shows us how to delineate transiting and solar arc midpoints as an aid to understanding events Adding midpoints to ingress eclipse and return charts adds detailed information that enables us to more accurately anticipate coming events Readers will learn all about occupied and unoccupied midpoints planetary axes the 360 and 90 degree dials plus how to contemplate and forecast future trends At last here is a systematic and engaging approach to working with midpoints The perfect companion volume to Allan s acclaimed book on the Lunar Nodes

Power of the Midheaven Stephanie Jean Clement,2001 The horoscope is a map of the heavens at any particular time usually at the birth of a person An important aspect to consider when creating charts is the Midheaven Before computers it was a vital computation in setting up horoscopes Curiously many astrologers ignore this point in their interpretations During over twenty five years as a professional astrologer Stephanie Jean Clement Ph D has emphasized that no point of a chart is unimportant She reveals what she has learned in *The Power of the Midheaven* Attention to the Midheaven can revolutionize your understanding of astrology If you are an astrologer you need the information in this book to make your readings more complete and to have a full understanding of a chart The Midheaven indicates what we know about ourselves The primary form of analysis is to examine the sign the Midheaven is in For example people with Leo Midheavens set their goals high and have the staying power to achieve them They want to rise to the top socially Jacqueline Kennedy is an example as is Grace Kelly They are self confident generous know they are fine leaders and have organizational capability but may not be able to admit their own shortcomings A Leo Midheaven is the master of control and free will and achieves spiritual enlightenment by knowing that the physical body is necessary Dr Clement points out that both Charlie Chaplin and Adolf Hitler have a Leo Midheaven they were born within days of each other She gives quotes showing how they used their wills to control people and both worked hard to eventually reach the top Obviously they were quite different people but the way they achieved their goals was similar Chaplin actually experienced his first movie making disappointment with *The Little Dictator* a film about Hitler This book covers the Midheaven through all the signs It also includes planets in aspect transits and much more If you are an astrologer or if you are at all interested in your horoscope you need this book

BUCKLEY, BATMAN & MYNDIE: Echoes of the Victorian culture-clash frontier ,2021-01-01 Sounding 1 BEFORE 1840 The notes journals and characters of Aboriginal Protectors William Thomas and his Chief George Robinson form the

backbone of this compilation With this ethnographic material we learn something of the Kulin worldview into this mostly white fella history Sounding 1 Before 1840 describes the initial British and European experiences events observations intentions self serving judgements ignorance naivete treachery and so on when they found Oz and proclaimed the continent theirs by the now obvious fiction of terra nullius Latin legalese for land belonging to no people The reader may enjoy separating the grains of truth from the chaff propaganda of Empire capitalism or racist sectarian Christian bible dogma that was the self serving mindset of the white land takers Batman and Fawknner s land hunting deals with local koori s along with the re emergence of the remarkable wild white castaway Buckley made their mark on the first settlement at Melbourne The focus widens in 1836 with Surveyor General Major Mitchell s and his Wuradjuri guides conquering the interior from the Murray near Mildura to the Western District at Portland and then back north east across the state to the Murray upstream at Albury His wheel tracks opened up Victoria from the north First contact race interactions at Port Phillip and the notion of cultural coexistence during the first five years leads to the role of successful battler and publican Fawknner in the colonial invasion process from Kulin country to sheep run to city Sounding 1 then winds up with Melbourne s first executions and descriptions of Port Phillip as the money melting pot forming the Melbourne hub of world capitalism Twentieth century academic studies now identify native religion language zones tribal locations and clan heads at the time of dispossession by pirate capitalism In describing the Australian land rush the chapter echoes oscillate between history sociology race theory trade and class wars whaling and sealing imperialism and the monopoly East India Company army mates all pitted against the vanishing race of hunter gathering savages The dispossession was virtually complete in Victoria before the 1850 s gold rushes transformed the sheep runs into banker s dividend wealth for the winners Sounding 2 DISPOSSESSION AT MELBOURNE Sounding 2 unfolds gently with a wistful early Melbourne memoir involving Batman s lost lawyer Gellibrand in 1836 but then we confront the frontier kill or be killed point of necessity The violent life times and fate of mass murderer Fred Taylor who was first employed as overseer for banker Swanston s Bellarine peninsula land grab sets the local dispossession tone Taylor s repeated atrocities today exposes a credibility gap in Oz between civilized progress and slaughter that now looms over all else in Victoria s birth as an independent state in 1851 The winter of 1837 saw the first violent death of a white squatter and his servant by savage natives north west of Williamstown at Mt Cotterell Town leaders such as Fawknner and police chief Henry Batman formed a posse that also included clan heads from both the Melbourne and Geelong tribal areas Buckley refused to take part in the vigilante party and its punitive actions belied the humanitarian standards expressed in Batman s treaty deed This revenge slaughter and destruction of villages by the white invaders forced the Sydney government to investigate and so began administering law and order at Port Phillip By 1838 Sydney trumped Batman s land grab and the penal government of NSW on the one hand executing eight whites for killing what the newspapers called savages while on the other hand providing sufficient speedy cavalry to tackle black resistance in Victoria at places such as

west of Colac and near Benalla after the Faithfull massacre The arrival in 1839 of first governor La Trobe and the Aboriginal Protectorate plan then unfolds the development of town civic structures while tribal life disintegrates Government and private measures to tame the naked Melbourne natives culminated with the dawn Merri Creek round up in October 1840 of hundreds of Kulin by Major Lettsom s redcoats and townsmen This appears as the death blow to tribal life and with the first shiploads of migrating British colonists arriving in 1841 near genocide for the Kulin Mara Kurnai and Murray River first peoples

The Perfect Horoscope John Willner,2001-01-01 The majority of horoscopes in current use are terribly wrong Why Because spiritual birth times which are essential to producing an accurate horoscope according to Edgar Cayce occur up to four and a half hours before physical birth That difference leaves aspects between planets about the same but shifts all house cusps backward by up to one or two signs Compared with most of today s faulty horoscopes these perfect horoscopes match personas with awesome precision and provide greatly enhanced forecasting capabilities This revolutionary book on astrology shows you how to 1 arrive at spiritual birth times 2 apply two other fundamentals of astrology currently omitted from most horoscopes and 3 verify your now totally functional horoscope Topics covered in this book include Who in recorded history may have been responsible for the mistakes of astrology and its subsequent fall from grace o How to calculate accurate soul chosen horoscopes What steps can be taken to verify a soul chosen horoscope Why progressions not transits mark the stepping stones of life When horoscopes can be used to confirm fundamentals and reject damaging false ideas such as the first breath theory Which concepts will change as we move from the Piscean Age of tolerant opinions to the Aquarian Age of benevolent intelligence

Fertility Astrology Nicola Smuts-Allsop,2018-04-19 Despite incredible and previously undreamed of advances in modern medicine for many women the issue of infertility remains a heart breaking reality Using a combination of traditional and modern astrological techniques the author has delved deeply into the charts of hundreds of infertile women and in many cases has unravelled what might be at the root of the problem Sometimes it s a matter of location or timing or it could be psychological issues in the relationship that are causing the block whatever the reason the author works closely with the couple and often the medical profession to produce results that are frequently positive where there has been no hope before Although this is an advanced textbook for astrologers the human element of the case histories is nothing short of inspiring and from that perspective can be enjoyed by readers with no knowledge of astrology
