The Born Again Skeptic's Guide to the Bible Ruth Hurmence Green,1999 A mockery of the Bible and Christianity The Born Again Skeptic's Guide to the Bible Ruth Hurmence Green,1979 **Solving Bible Mysteries** Dennis James Kennedy,2000 Often a Bible passage s meaning is obvious But sometimes Scriptures seem incomprehensible even contradictory How do we as believers correctly interpret these puzzling passages The author of What If Jesus Had Never Been Born and What If the Bible Had Never Been Written takes an in depth look at passages of Scripture that are difficult to understand From an overview of the dichotomy of faith versus works to the meaning behind I John 3 9 Whoever has been born of God does not sin NKJV Solving Bible Mysteries offers powerful insight on some of Christianity s challenging questions

A Skeptic's Guide to Faith Philip Yancey,2009 For those on the borderlands of belief Philip Yancey confronts questions of faith and religion head on If this is God s world why doesn t it look more like it For anyone who s ever wondered if the visible world is all there is for anyone who feels like an empirical understanding of reality is missing something bestselling author and fellow pilgrim Philip Yancey comes beside you to explore this tug between the visible and the invisible In the gentle understanding voice of one who s been through skepticism Yancey investigates questions like What is the good life Do my deepest experiences of beauty and pain have meaning Is there life after death If God does exist why does this world seem to be coming apart at the seams Does faith make any difference in my daily life A Skeptic s Guide to Faith previously titled Rumors of Another World reads like a conversation inviting those skeptical of religion and turned off by the church to consider the possibility of an unseen world coexisting with our visible world According to Yancey A thin membrane of belief separates the natural from the supernatural What makes it so hard for some of us to cross that membrane Look inside to find out In this powerful read Yancey tackles the tough questions and in the process comes up with a fresh new approach to this timeless topic **A Skeptic's Guide to Belief** Ken Crispin,2019-04-04 What would happen if you faced your doubts set

aside your preconceptions and decided to follow the path of truth wherever it might lead Most people whether believers or atheists doggedly defend what they have always believed Many see this as an expression of faith Yet there is something almost inexpressibly sad about the plight of people living out their lives in reliance upon beliefs they dare not question Perhaps that is why many of us come to a point at which we feel compelled to pursue the truth no matter what the implications But even if we found the courage to embark upon such a journey could we really find a path through the scientific philosophical experiential and theological thickets that surround the great questions of life And if we did would we know the truth and be set free Would we be forced to face a long feared despair Or would we find ourselves still staring impotently at an enigmatic universe This is a book unlike any other It addresses these questions with unflinching honesty drawing evidence from a diversity of scientific fields and subjecting the competing arguments to rigorous skeptical analysis

Whited Tombs D. Shurtleff, 2006-06-01 One of the characteristics of the true church of Jesus Christ is that it will always face persecution and attack This book outlines the similarities between the Pharisees of old who sought to persecute Jesus and his kingdom and their modern day counterparts This book is based on real life experiences of the author occurring over his lifetime including his many years of service as a chaplain within the U S Army Those years of service placed him in close contact with the preachers and doctrines of Christianity and occasionally exposed him to the intricacies of the age old tactics used by the modern day Pharisees This book provides insights into how the modern disciple of Jesus can counter the influence and arguments of the modern Pharisees and further reveals their motivations techniques and weaknesses It is also written for those enemies of truth in hopes that if they read this book they will awake to see themselves in the unhappy position of fighting against the living Christ and will like Saul of Tarsus turn from their course and embrace what they once sought to destroy

Roger Talley, 2014-06-22 *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g. Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Why I Became an Atheist** John W. Loftus, 2012-10-10 For about two decades John W. Loftus was a devout evangelical Christian an ordained minister of the Church of Christ and an ardent apologist for Christianity With three degrees in philosophy theology and philosophy of religion he was adept at using rational argumentation to defend the faith But over the years doubts about the credibility of key Christian tenets began to creep into his thinking By the late 1990s he experienced a full blown crisis of faith In this honest appraisal of his journey from believer to atheist the author carefully explains the experiences and the reasoning process that led him to reject religious belief The original edition of this book was published in 2006 and reissued in 2008 Since that time Loftus has received a good deal of critical feedback from Christians and skeptics alike In this revised and expanded edition the author addresses criticisms of the original adds new argumentation and references and refines his presentation For every issue he succinctly summarizes the various points of view and provides references for further reading In conclusion he describes the
