WhereWolf After Half vampire Ollie inherits his uncle's detective agency in the undead town of Skullenia. Count Jocular commissions his team to help resolve a series of unexplained disappearances. With the help of his motley crew and some quite frankly ridiculous characters, he attempts to get to the bottom of the perplexing mystery. Cup and Sorcery The Fibulan Museum has been burgled, and our intrepid detectives are appointed to solve the mystery. During their investigation, they find themselves undertaking a quest of literally epic proportions while hoping that they can stave off disaster and avoid seeing Mrs Ladle's legs. Wuthering Frights Grendle the Shopkeeper has disappeared. Meanwhile, a young couple has discovered a cadaver while taking a moonlit stroll through the cemetery. What links the strange events? Is anything else going to happen? Someone needs to find out what's going on, and in Skullenia that can only mean one thing: Ollie and the boys have another puzzle to solve.

Skullenia Dr Tony Lewis, 2014-12-10 Tony Lewis's Skullenia trilogy is a hilarious supernatural escape. Welcome to the undead town of Skullenia. **BOOK I WHEREWOLF** Skullenia seems to be the last place that would need a detective agency. At least that is what Ollie thinks until Count Jocular commissions him to help resolve a series of unexplained disappearances occurring within his realm. Ollie is a half vampire who, following his uncle's death, inherits a detective agency in the undead town of Skullenia. He also inherits his uncle's staff, a zombie who can barely hold himself together in more ways than one, a reanimate the size of a phonebox with an IQ to match a mad professor, and their chain smoking friend Ronnie who has the ability to make himself invisible. Has Ollie bitten off more than he can chew? With the help of his motley crew and some quite frankly ridiculous characters, Ollie attempts to solve this perplexing mystery. **BOOK II CUP AND SORCERY** The hunched figure sat on a three-legged wooden stool, hooded head leaning over the container. Eyes unblinking, it peered intently into the murky miasma. Hands were raised, and sleeves folded carefully back before fingers were waved over the bowl in intricate patterns. At the same time, whispered incantations passed from tight, dry lips attempting to invoke the aid of some otherworldly power. Ollie and his crew are back. The Fibulan Museum has been burglarised, and our intrepid detectives are appointed to solve the mystery, but they soon discover that this is no ordinary crime. During the course of their investigations, they find themselves undertaking a quest of quite literally epic proportions in the hope that they will stave off disaster and avoid seeing Mrs Ladle's legs. Can Ollie and his friends defeat the forces of darkness? Can they survive their treacherous journey? Can Flug have an intelligent thought without having a stroke? **BOOK III WUTHERING FRIGHTS** Grendle the Shopkeeper has disappeared, and it's up to Ollie's crew to find him before it's too late. Narrowly missing a wandering splat of ectoplasm or Bernard as he was more commonly known, with a deft side step Ronnie entered the shop to the clanging of the little silver bell that hung over the door. His brow furrowed as he absently scratched his cheek. Grendle always came out after the tolling of the first bell. Always. Where was Grendle the shopkeeper? Later on the

local press are interviewing the Skullenian residents after an incident at the fountain whilst Noah and Gertie a happy young couple discover a dismembered corpse whilst taking a romantic moonlit stroll through the cemetery Are the strange events linked Is anything else going to happen Can I write any more of this nonsense without giving the game away Someone s going to have find out what s going on and in Skullenia that can only mean one thing That s right Ollie and the boys have another puzzle to solve Do they unravel this mystery Can they avoid the carnivorous attentions of Noggin a rather special cat And will Professor Crumble ever invent anything useful Skullenia Collection - Books 4-6 Tony Lewis,2024-07-30 Books 4 6 in Tony Lewis s Skullenia series now available in one volume The Quest for the Bone Idol Ollie and the boys need a break from the detective agency so when Stitches wins a competition at The Bolt and Jugular it seems that fate may be finally smiling down on them But But what should have been a relaxing cruise turns into a voyage of intrigue and mayhem on the high seas when our intrepid explorers find themselves entangled in yet another mystery involving a strange relic a dangerous foe and a rather bawdy crew of pirates with interesting beards A Witch in Time Despite it being slightly more fun than a visit to a 12th century dentist Stitches doesn t want to go Mrs Ladle s game night Tonight she has promised them something special a game that hasn t been played for a very long time One that s bound to make the evening fly by and take them to an adventure packed full of derring do and never before chronicled acts of heroism and bravery Intensive Scare A psychic message a portly medium missing residents and a strange glow can only mean one thing something is happening in Skullenia and it s down to Ollie and the gang to sort it out With the help of Deirdre Clownpuncher the boys try to find out where everyone s gone before they disappear forever Our heroes must employ all of their guts and guile to follow the clues which seeing as they don t actually have any guts and guile means they ll be relying on other people as usual
