Sky Annual Report 2008:

Annual Report United States. Congressional-Executive Commission on China,2009 **Channel 4 annual report** Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee,2010-03-15 Channel 4 is a unique broadcaster in the UK Publicly owned it is a statutory corporation without shareholders established and regulated under successive Broadcasting and Communication Acts It generates all of its revenues in the commercial marketplace but is not for profit its principal focus being the fulfilment of its statutory public service broadcasting PSB remit Channel 4 is required to lay before Parliament an Annual Report of its financial accounts and performance However concerns have been expressed that the channel lacks accountability and external scrutiny This report covers the Committee s session in response to these concerns The issues put forward included the extent to which the channel is facing a crisis preferences regarding possible partnerships effects of market conditions profitability of non core non PSB channels investment in the now abandoned Project Kangaroo headcount redundancies and remuneration children s and educational programming investment in the nations and regions and succession of the Chairman and Chief Executive The Committee plans to hold these sessions examining the Channels Annual reports annually **The Airline Revolution** Gordon Mills,2016-07-15 When starting new airlines in response to government deregulation entrepreneurs in the U S and Europe reduced some traditional service qualities to reduce costs concentrated on non stop services between city pairs not already so connected improved on time performance and offered low fares to win leisure travelers from the incumbents and to encourage more travel In recent developments some of the new airlines have offered optional extras at higher fares to attract business travelers and entered major routes alongside the legacy carriers Within both the U S and Europe deregulation removed most geographical barriers to expansion by short haul airlines Later limited deregulation spread to other world regions where many short haul routes connect city pairs in different countries and where governments have retained traditional two country mechanisms restricting who may fly To gain access to domestic routes in other countries some new airlines are setting up affiliate companies in neighboring countries with each company legally controlled in the country of domicile With air travel growing strongly especially in Asia a common result is intense but potentially short lived competition on major routes The recent developments give clear signposts to likely mid term outcomes and make this an opportune time to report on the new airline scene The Airline Revolution will provide valuable economic analysis of this climate to students airline professionals advancing to senior positions public servants and others who provide advice to governments The New Extremism in 21st Century Britain Roger Eatwell,Matthew Goodwin,2012-11-12 Since the 1990s there has been a growing concern about the resurgence of extremist and radical movements in the Western world Although a variety of challenges to the liberal democratic order have emerged the main focus of concern among academics policy makers and practitioners within Europe and beyond has been on the growth and activities of Islamists and to a lesser extent the extreme right However these forms

of extremism are seldom placed alongside each other and in a manner that is sensitive to both the causes and consequences of extremist mobilization This book presents new empirical research on the causes of these two new extremisms in 21st Century Britain and the appropriate responses to it by both the state and civil society Both forms of extremism pose vital questions for those concerned with the development of a more cohesive and stable society Unlike many studies this volume adopts a holistic approach bringing together experts from a variety of disciplines to examine the factors that cause support and the potential policy responses including key questions such as What is the current level of support for Islamism and right wing extremism Who votes for extreme right parties such as the BNP in modern Britain and despite its recent gains why has the extreme right achieved only limited success What are the steps of recruitment into radical violent takfiri jihadism How effective are current responses to Islamism and the extreme right such as those offered by Preventing Violent Extremism PVE wider public policy and policing What is the potential role of political actors media and civil society in responding to the extremist challenge Challenging broad assumptions and bringing together leading scholars in this rapidly developing field this work is essential reading for all those with an interest in terrorism fascism political extremism social cohesion and the future of race relations *Citizen Participation at the Local Level in China and Canada* Andrew Sancton, Chen

Zhenming, 2014-11-13 What if anything is similar about citizen participation at the local level in Canada and China The answer of course is politically sensitive There are many in Canada who would claim that the question is absurd How can there be meaningful citizen participation in a country where there are significant restrictions on political activity includ

Corporate Governance and Banking in China Michael Tan, 2013-09-02 As China began its economic reforms in the late 1970s and made a transition from planned to a market economy corporate governance of the banking sector became an increasingly pressing issue Further in the aftermath of the Asian Financial Crises in the late 1990s Chinese authorities became acutely aware of the importance of corporate governance to ensure that their banking system would not suffer similar fates to those of other Asian countries This book examines corporate governance in city commercial banks which are the main source of loans to the dynamic small and medium enterprises that are crucial to the development of China s economy By the end of 2008 there were 136 city commercial banks in China 13 of which had foreign partners and this book clearly demonstrates the positive effect of these foreign partnerships on corporate governance practices in addition to financial performance With evidence from extensive interviews with 10 city commercial banks in China Michael Tan explores the different models of corporate governance and in turn asks which model is most suitable to China how are Chinese authorities overcoming problems with corporate governance and how do these problems compare with those in other transition economies Whilst the primary focus of this study is on China s city commercial banks there are lessons that apply much more broadly to the industry and it therefore will be invaluable to foreign banking institutions wishing to invest in China This book will also be of great appeal to students and scholars of Chinese business and economics corporate

governance and banking **In Bed with Wall Street** Larry Doyle, 2014-01-07 The Wall Street meltdown in 2008 brought the country to its knees and spawned nationwide protests against the lack of regulation and oversight in the financial industry But the average American still fails to fully grasp what was and still is happening that the inmates run the asylum Larry Doyle exposes how financial executives politicians and even the regulators charged with overseeing the banks have conspired for personal gains while deceiving largely unprotected investors consumers and American taxpayers He details the shocking corruption of the SEC FINRA and other financial police painting them as meter maids who assess nominal fines and look the other way at even the most egregious abuses Most importantly he unveils the revolving door of Wall Street where countless regulators and plenty of legislators are former or future employees of the very firms they re tasked with overseeing Recent bombshells such as multi billion dollar trading losses at JP Morgan Chase the manipulation of interest rates via the LIBOR scandal and money laundering with North American drug cartels and rogue nations such as Iran are symptomatic of this corrosive culture which has decimated consumer and investor confidence As the big banks fight tooth and nail to avoid real reforms this book is a timely important and shocking look at a hopelessly compromised system still defenseless against the next great crash From publisher description [Routledge Handbook of Transnational Organized Crime](#) Felia Allum, Stan Gilmour, 2012-03-15 Transnational organized crime crosses borders challenges States exploits individuals pursues profit wrecks economies destroys civil society and ultimately weakens global democracy It is a phenomenon that is all too often misunderstood and misrepresented This handbook attempts to redress the balance by providing a fresh and interdisciplinary overview of the problems which transnational organized crime represents The innovative aspect of this handbook is not only its interdisciplinary nature but also the dialogue between international academics and practitioners that it presents The handbook seeks to provide the definitive overview of transnational organized crime including contributions from leading international scholars as well as emerging researchers The work starts by examining the origins concepts contagion and evolution of transnational organized crime and then moves on to discuss the impact governance and reactions of governments and their agencies before looking to the future of transnational organized crime and how the State will seek to respond Providing a cutting edge survey of the discipline this work will be essential reading for all those with an interest in this dangerous phenomenon **Cape Hatteras National Seashore, Off-road Vehicle Management Plan** ,2010 **The British film and television industries** Great Britain: Parliament: House of Lords: Select Committee on Communications, 2010-01-24 British Film and Television Industries Decline or Opportunity Volume II Evidence **Green Gone Wrong** Heather Rogers, 2013-01-16 Faced with climate change many counsel going green encouraging us to buy organic food or a clean car for example But can we rely on consumerism to provide a solution to the very problems it has helped cause Heather Rogers travels from Paraguay to Indonesia via the Hudson Valley Detroit and Germany s Black Forest to investigate green capitalism and argues for solutions that are not mere palliatives or distractions but ways of engaging

with how we live and the kind of world we want to live in A new afterword considers various ways in which national development might be freed from its dependence on economic growth allowing for a decent standard of living without exhausting the planet's resources

Air Transport in the 21st Century John F. O'Connell, George Williams, 2016-12-05 Airlines are buffeted by fluctuating political and economic landscapes ever changing competition technology developments globalization increasing deregulation and evolving customer requirements As a consequence all sectors of the air transport industry are in a constant state of flux The principle aim of this book is to review current trends in the airline industry and its related suppliers thereby providing an insight into the forces that are changing its dynamics The factors that are reshaping the structure of the industry are examined with a view to identifying the key issues whose impact will be critical in the future The book features two very distinct sections The first contains short contributions from industry executives at CEO VP level from airlines aircraft engine manufacturers safety and navigational provider organisations who have set out their take of where the airline industry is heading This commercial input sets the scene for the book and provides the bridge to the second section which is composed of 18 chapters written by distinguished academic authors Each chapter presents a valuable insight into a specific area of the air transport industry including airlines airports cargo deregulation the environment navigation strategy information technology security and tourism The shared objective of the authors is to describe and explain the core competencies that are determining the current shape of the industry and to examine the forces that will change its direction going forward The book is written in a management style and will appeal to all levels of personnel who work for airlines across the world It is also written for airport authorities aerospace manufacturers regulatory and government transportation agencies researchers and students of aviation management transport studies tourism and the wider air transport industry

Policing Non-Citizens Leanne Weber, 2013-09-11 Criminologists are increasingly turning their attention to the many points of intersection between immigration and crime control This book discusses the detection of unlawful non citizens as a distinct form of policing which is impacting on a growing range of agencies and sections of society It constitutes an important contribution not only to the literature on policing but also to the field of border control studies within criminology Drawing on the work of Clifford Shearing Ian Loader and P A J Waddington it offers new theoretical approaches to the study of police powers and practice
