Failed Methods and Ideology in Canonical Interpretation of Biblical Texts Bernd Diebner, 2023-10-31 This volume by the late Bernd J Diebner presents an anthology of studies previously published only in German from 1971 to 2020 on a wide range of topics in biblical studies The 18 essays in this collection offer profound insight into the works of German scholarship which have strongly influenced biblical studies and related research in the 20th century Being an important but lesser recognized member of the

Copenhagen school Diebner voiced serious criticism of contemporary biblical scholarship which is discussed in the first seven chapters The remaining chapters offer challenging new perspectives on well known themes narratives and compositions related to history ideology and archaeology on the one hand and text and canon on the other as alternatives to traditional historical critical approaches Now published in English for the first time this volume makes these essays available to Anglophone students and scholars of biblical and ancient Near Eastern studies

The Alice Books and the Contested Ground of the Natural World Laura White, 2017-06-26 Though popular opinion would have us see Alice's Adventures in Wonderland and Through the Looking Glass and What Alice Found There as whimsical nonsensical and thoroughly enjoyable stories told mostly for children contemporary research has shown us there is a vastly greater depth to the stories than would be seen at first glance Building on the now popular idea amongst Alice enthusiasts that the Alice books at heart were intended for adults as well as children Laura White takes current research in a new fascinating direction During the Victorian era of the book's original publication ideas about nature and our relation to nature were changing drastically The Alice Books and the Contested Ground of the Natural World argues that Lewis Carroll used the book's charm wit and often puzzling conclusions to counter the emerging tendencies of the time which favored Darwinism and theories of evolution and challenged the then conventional thinking of the relationship between mankind and nature Though a scientist and ardent student of nature himself Carroll used his famously playful language fantastic worlds and brilliant often impossible characters to support more the traditional Christian ideology of the time in which mankind holds absolute sovereignty over animals and nature

Jewish Sunday Schools Laura Yares, 2023-08 The Jewish Sunday school in nineteenth century America was a pioneering new institution founded by Jewish women that not only reimagined the nature and purpose of Jewish education but also reimagined Judaism as a modern American religion
