In the background, the iconic red Golden Gate Bridge spans the water, with several colorful hot air balloons floating in the sky. The overall atmosphere is bright and scenic.

Redefining Modernism and Postmodernism Sebnem Toplu, Sebnem Toplu, 2010-06-09 Literary and cultural studies in the later twentieth century were very much shaped by debates about modernism and postmodernism as labels for successive periods but also for different competing interpretations of recent cultural history In the twenty first century the shock waves that were sent through the global system on political cultural economic and ecological levels by terrorist attacks regional conflicts poverty the financial crisis and the threat of environmental disaster raise anew the question of how and to what extent the tradition of modernity can be newly defined in

a situation where the problematic aspects of these ideas have rightly been exposed but where they nevertheless appear to be crucial for any responsible assessment of contemporary world culture and its future perspectives *Redefining Modernism and Postmodernism* offers a collection of critical articles that resulted from the International Cultural Studies Symposium at Ege University Izmir Turkey in 2009 Scholars from around the world have contributed to this volume reflecting the current perspective on modernism and postmodernism shedding new light on literature literary theory philosophy politics religion film and art Providing an account of this field this book enables readers to navigate the subject by introducing essays on transformations of modernism and postmodernism in the twenty first century and the debates beyond the modernism postmodernism dichotomy

Children of Coyote, Missionaries of Saint Francis Steven W. Hackel, 2017-01-15 Recovering lost voices and exploring issues intimate and institutional this sweeping examination of Spanish California illuminates Indian struggles against a confining colonial order and amidst harrowing depopulation To capture the enormous challenges Indians confronted Steven W Hackel integrates textual and quantitative sources and weaves together analyses of disease and depopulation marriage and sexuality crime and punishment and religious economic and political change As colonization reduced their numbers and remade California Indians congregated in missions where they forged communities under Franciscan oversight Yet missions proved disastrously unhealthful and coercive as Franciscans sought control over Indians beliefs and instituted unfamiliar systems of labor and punishment Even so remnants of Indian groups still survived when Mexican officials ended Franciscan rule in the 1830s Many regained land and found strength in ancestral cultures that predated the Spaniards arrival At this study's heart are the dynamic interactions in and around Mission San Carlos Borromeo between Monterey region Indians the Children of Coyote and Spanish missionaries soldiers and settlers Hackel places these local developments in the context of the California mission system and draws comparisons between California and other
