Living in Victory Alain Walljee,2016-11-16 Many Christians are frustrated because their respective realities do not seem to be consistent with the promises of the Word of God In Living in Victory we go to where Christians currently stand and show them the way to victorious living One consistent truth about God reflected throughout the Bible is that wherever God is present He changes the situation for the better We see evidence of this in the beginning when God stepped into the void darkness and formlessness to create the known universe We see this truth about God revealed in Christ who even at His birth caused angels from heaven to show up on Earth and appear to shepherds During His adulthood He healed the sick raised the dead brought hope and restored families It is my strong conviction that a Christian s physical and material circumstances have to change as a result of the presence of God inside of us individually and in our homes and families Evidence of God s presence will be seen in how attractive our lives begin to appear This is the true test of the testimony of the Christian Living in Victory does not present a quick fix solution nor does it offer false expectation of instant change but it does present a biblical view of transformation in the life of the Christian from a place of frustration to living in victory By following biblical principles every Christian can live a victorious life and that is a guarantee Living in Victory is a book whose time has come
