NEW BATTLES ARE JUST BEGINNING 1962 times feel bleak again The threat of atomic warfare feels real and for many life seems all the more bewildering as they struggle to understand the new generation of the Sixties a generation for whom they made so many wartime sacrifices for whom they had such high hopes No sooner has the threat of nuclear war seemed to have passed than Judy Mathilda and Rusty are facing a new personal crisis brought about by their teenage children Still grieving for his lost wife Waldo Astley tries his best to help his three friends only to find himself falling in love with one of them Meanwhile the younger generation have their own problems all of which involve their families That all the generations find themselves once more united in a battle this time to save the village they love is both an irony and finally a saving grace Once more an enemy has to be defeated once more they must arm themselves but this time for a war of a very different kind
