The Complete Collected Poems English Edition:

The Collected Poems C.P. Cavafy, 2008-10-09 A Greek gentleman in a straw hat standing absolutely motionless at a slight angle to the universe E M Forster's famous description of C P Cavafy the most widely known and best loved modern Greek poet perfectly captures the unique perspective Cavafy brought to bear on history and geography sexuality and language Cavafy wrote about people on the periphery whose religious ethnic and cultural identities are blurred and he was one of the pioneers in expressing a specifically homosexual sensibility His poems present brief and vivid evocations of historical scenes and sensual moments often infused with his distinctive sense of irony They have established him as one of the most important poets of the twentieth century The only bilingual edition of Cavafy's collected poems currently available this volume presents the most authentic Greek text of every poem he ever published together with a new English translation that beautifully conveys the accent and rhythm of Cavafy's individual tone of voice In addition the volume includes an extensive introduction by Peter Mackridge explanatory notes that gloss Greek historical names and events alluded to in the poems a chronological list of the poems and indexes of Greek and English titles About the Series For over 100 years Oxford World's Classics has made available the broadest spectrum of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities voluminous notes to clarify the text up to date bibliographies for further study and much more

Collected Poems Federico García Lorca, 2018-08-14 A revised edition of this major writer's complete poetical work And I who was walking with the earth at my waist saw two snowy eagles and a naked girl The one was the other and the girl was neither from Qasida of the Dark Doves Federico García Lorca was the most beloved poet of twentieth century Spain and one of the world's most influential modernist writers His work has long been admired for its passionate urgency and haunting evocation of sorrow and loss Perhaps more persistently than any writer of his time he sought to understand and accommodate the numinous sources of his inspiration Though he died at age thirty eight he left behind a generous body of poetry drama musical arrangements and drawings which continue to surprise and inspire Christopher Maurer a leading García Lorca scholar and editor has brought together new and substantially revised translations by twelve poets and translators placed side by side with the Spanish originals The seminal volume Poet in New York is also included here in its entirety This is the most comprehensive collection in English of a poet who as Maurer writes in his illuminating introduction spoke unforgettably of all that most interests us the otherness of nature the demons of personal identity and artistic creation sex childhood and death
