years that gave his fiction its distinctive energy McCartney shows how at every turn Waugh's writing pays parodic tribute to modernist esthetics. Although he deplored many of the movement's philosophical premises, he nevertheless admired its methods, borrowing them freely whenever it suited his purposes. In effect, Waugh developed an alternate modernism. Whether it was his playful reworking of Bauhaus and Futurist theory or his borrowings from film technique, he was determined to take his place in what he called the advance guard, despite his avowedly antique tastes. Part aesthete, part traditionalist, he appropriated the strategies of experimental art in order to defeat its metaphysical implications. McCartney provides evidence that this ambivalent regard for modernism reveals not only Waugh's interest in aesthetics and philosophy but also his personal conflicts. For a man who prized rationality, he was remarkably even notoriously impulsive. McCartney concludes that Waugh's satire sprang not only from his dismay with contemporary intellectual fashions but also from an inward struggle between his orthodox and wayward selves, a struggle that registered the cultural conflicts of his time with uncanny accuracy. In McCartney's reading, Waugh's personal and intellectual ambivalence enabled him to become a prescient critic of our age. The result was a body of work that remains as vital today as when it was written.

The Complete Short Stories Evelyn Waugh, 2015-11-10 Book Jacket Status Jacketed Evelyn Waugh's short stories are the marvelous concentrated riffs of his comic genius, revealing in miniaturized perfection all the elements that made him the greatest comic writer of our century. We find in them Waugh's almost superhuman technical skill as a writer and his quicksilver attentiveness to the minutiae of human absurdity, as well as his worldly knowledge, his tenderness, his perceptive compassion, and his sophisticated disabused but nevertheless forceful idealism. The thirty-nine stories collected here include such small masterpieces as *Mr Loveday's Little Outing* and *Scott King's Modern Europe*, an alternative ending to Waugh's novel *A Handful of Dust*, a missing chapter in the life of Charles Ryder, the hero of *Brideshead Revisited*, and two linked stories, remnants of an abandoned novel that Waugh considered his best writing. This edition contains the original illustrations to *Love Among the Ruins*, as well as more than thirty graphics produced by the author as an Oxford undergraduate in the 1920s.

Nobody's Perfect Anthony Lane, 2009-08-19 Anthony Lane on Con Air Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load. Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in Con Air are about as dangerous as balloons. Anthony Lane on *The Bridges of Madison County* I got my copy at the airport behind a guy who was buying Playboy's *Book of Lingerie*, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag. Anthony Lane on Martha Stewart Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the woman who convinced a million Americans that they have the time, the means, the right, and damn it, the duty to pipe a little squirt of soft cheese into the middle of a snow pea and to continue piping until there are fifty to sixty stuffed peas raring to go. For ten years, Anthony Lane has delighted New Yorker readers with his film reviews, book reviews, and profiles that range from Buster Keaton to Vladimir

Nabokov to Ernest Shackleton Nobody's Perfect is an unforgettable collection of Lane's trademark wit satire and insight that will satisfy both the long addicted and the not so familiar

Dynamic Form Cara L. Lewis, 2020-07-15 *Dynamic Form* traces how intermedial experiments shape modernist texts from 1900 to 1950 Considering literature alongside painting sculpture photography and film Cara Lewis examines how these arts inflect narrative movement contribute to plot events and configure poetry and memoir As forms and formal theories cross from one artistic realm to another and back again modernism shows its obsession with form and even at times becomes a formalism itself but as Lewis writes that form is far more dynamic than we have given it credit for Form fulfills such various functions that we cannot characterize it as a mere container for content or matter nor can we consign it to ignominy opposite historicism or political commitment As a structure or scheme that enables action form in modernism can be plastic protean or even fragile and works by Henry James Virginia Woolf Mina Loy Evelyn Waugh and Gertrude Stein demonstrate the range of form's operations Revising three major formal paradigms spatial form pure form and formlessness and recasting the history of modernist form this book proposes an understanding of form as a verbal category as a kind of doing *Dynamic Form* thus opens new possibilities for conversation between modernist studies and formalist studies and simultaneously promotes a capacious rethinking of the convergence between literary modernism and creative work in other media

Interwar Itineraries Emily O. Wittman, 2022-05-03 How people traveled and how people wrote about travel changed in the interwar years Novel technologies eased travel conditions breeding new iterations of the colonizing gaze The sense that another war was coming lent urgency and anxiety to the search for new places and authentic experiences In *Interwar Itineraries* Authenticity in Anglophone and French Travel Writing Emily O Wittman identifies a diverse group of writers from two languages who

embarked on such quests For these writers authenticity was achieved through rugged adventure abroad to economically poorer destinations Using translation theory and new approaches in travel studies and global modernisms Wittman links and complicates the symbolic and rhetorical strategies of writers including Andr Gide Ernest Hemingway Michel Leiris Isak Dinesen Beryl Markham among others that offer insight into the high ethical stakes of travel and allow us to see in new ways how models of the authentic self are built and maintained through asymmetries of encounter This book offers a valuable account of literary activity in a genre still inadequately covered in literary critical history Emily Witt man organizes her material through pairings and contextualizing that are instructive and illuminating and often exciting This is comparative literature at its best Vincent Sherry Washington University

Mourning, Modernism, Postmodernism T. Clewell, 2009-10-22 Mourning Modernism Postmodernism traces the emergence of a fundamentally new way of writing about individual and collective mourning demonstrating how a refusal of consolation and closure succeeds in promoting a progressive cultural politics crucial for reimagining gender racial and sexual subjects

The Complete Stories Flannery O'Connor, 1971-01-01 Winner of the National Book Award The publication of this extraordinary volume firmly established Flannery O'Connor's monumental contribution to American fiction There are thirty one stories here in all including twelve that do not appear in the only two story collections O'Connor put together in her short lifetime Everything That Rises Must Converge and A Good Man Is Hard to Find O'Connor published her first story The Geranium in 1946 while she was working on her master's degree at the University of Iowa Arranged chronologically this collection shows that her last story Judgement Day sent to her publisher shortly before her death is a brilliantly rewritten and transfigured version of The Geranium Taken together these stories reveal a lively penetrating talent that has given us some of the most powerful and disturbing fiction of the twentieth century Also included is an introduction by O'Connor's longtime editor and friend Robert Giroux

Reconstructing Modernism Ashley Maher, 2020-03-12 Reconstructing Modernism establishes for the first time the centrality of modernist buildings and architectural periodicals to British mid century literature Drawing upon a wealth of previously unexplored architectural criticism by British authors this book reveals how arguments about architecture led to innovations in literature as well as to redesigns in the concept of modernism itself While the city has long been a focus of literary modernist studies architectural modernism has never had its due Scholars usually characterize architectural modernism as a parallel modernism or even an incompatible modernism to literature Giving special attention to dystopian classics Brave New World and Nineteen Eighty Four this study argues that sustained attention to modern architecture shaped mid century authors political and aesthetic commitments After many writers deemed modernist architects to be agents for communism and other collectivist movements they squared themselves and literary modernist detachment and aesthetic autonomy against the seemingly tyrannical utopianism of modern architecture literary aesthetic qualities were reclaimed as political qualities In this way Reconstructing Modernism redraws the boundaries of literary modernist studies

rather than simply adding to its canon it argues that the responsibility for defining literary modernism for the mid century public was shared by an incredible variety of authors Edwardians modernists satirists and even anti modernists

Language Anxiety Tim William Machan, 2009-01-29 This book looks at the ever present anxieties associated with language change Focusing on English from Alfred the Great to the present Tim Machan offers a fresh perspective on the history of language He reveals amusing and sometimes disconcerting aspects of our linguistic and social behavior and suggests that anxiety about language has sometimes allowed us to avoid the issues we really find disturbing when speakers of English worry over grammar sounds or words the real source of their anxiety is often not language at all but issues like immigration or social instability Drawing on an array of evidence from archives literature history polemics and the press as well as centuries of legislation Tim Machan uncovers the perennial nature of concerns about the poverty and purity of English There has never been a time he shows when we weren t worried about the corruption of language and its apparent connections with educational standards the morality of youth the integrity of society and the identity of our nations This is a fascinating story told here in consummate fashion combining insight and anecdote and learning with wit a book for everyone interested in languages and the people who speak them

Moving Images, Mobile Viewers Renate Brosch, 2011 Vision and movement seem to have shifted center stage in modes of experience in the last century as a result of their joint effect slow contemplative gazes at static images seem to be increasingly displaced by distracted vernacular ways of seeing Looking out of the window of a speeding car receiving photographs of Earth from outer space watching the flickering images of the TV screen scrolling through a text zooming in on a location in Google Earth or sending images via mobile phones or webcams all these are unique visual experiences that were impossible before various inventions in the 20th century originated completely

new kinds of movement The double meaning of moving images is meant to signal the specificity of motion to these images and at the same time to express the emotional power of those visual images which are able to transcend the constant stream of images in contemporary perception Series Kultur und Technik Schriftenreihe des Internationalen Zentrums für Kultur und Technikforschung der Universität Stuttgart Vol 20 **Books Are Made Out of Books** Michael Lynn

Crews, 2024-10-08 Cormac McCarthy told an interviewer for the New York Times Magazine that books are made out of books but he was famously unwilling to discuss how his own writing draws on the works of other writers Yet his novels and plays masterfully appropriate and allude to an extensive range of literary works demonstrating that McCarthy was well aware of literary tradition and deliberately situating himself in a knowing relationship to precursors In *Books Are Made Out of Books* Michael Lynn Crews thoroughly mines McCarthy's literary archive to identify over 150 writers and thinkers that McCarthy referenced in early drafts marginalia notes and correspondence Crews organizes the references into chapters devoted to McCarthy's published works the unpublished screenplay *Whales and Men* and McCarthy's correspondence This updated edition now examines McCarthy's final publications the novel *The Passenger* and its play like coda *Stella Maris* For each work Crews identifies authors artists or other cultural figures that McCarthy referenced gives the source of the reference in McCarthy's papers provides context for the reference as it appears in the archives and explains the significance of the reference to the novel or play that McCarthy was working on This groundbreaking exploration of McCarthy's literary influences vastly expands our understanding of how one of America's foremost authors engaged with the ideas images metaphors and language of other thinkers and made them his own [Crash Course in Readers' Advisory](#) Cynthia
