The Confidence Man:

The Confidence-Man : His Masquerade Herman Melville, 2009-11-15 This is a reproduction of the first edition of Melville's last novel. It was first published on April Fools Day 1857. **The Confidence-man** Herman Melville, 1999 Like a microcosm of America the Fidele a Mississippi steamboat bound for New Orleans floats downstream without reaching its goal its passengers all the victims or abusers of trust or confidence Melville's confidence man deft fraudulent constantly shifting represents a central symbol of American cultural history. **The Confidence-man** Herman Melville, 1971 The Confidence Man Herman Melville, Roy Fuller, 1978-01-01 Poorly received when first published in 1857 The Confidence Man is now considered Herman Melville's most nearly perfect work and one that occupies a central place in the American literary tradition of masquerade and trickery. Set on April Fool's Day aboard a Mississippi steamer this powerful and engaging novel through the conversations of the confidence man who may be looked on as the Devil or God explores America and American values. Part satire part hoax The Confidence Man is also a dark look at the nothingness lurking beneath our beliefs and assumptions a look at a universe in which neither God nor the Devil exists and where Christianity is only a comforting fiction little better than an April Fool's prank. *The confidence-man, his masquerade* Herman Melville, 1857 General Books publication date 2009 Original publication date 1857 Original Publisher Longman Brown Green Longmans *The Confidence Man in American Literature* Gary H. Lindberg, 1982 Pursues the many ramifications of the role of the con man through a broad study of nineteenth and twentieth century American culture. *The Confidence-Man (Esprios Classics)* Herman Melville, 2022-06-13 The Confidence Man His Masquerade first published in New York on April Fool's Day 1857 is the ninth book and final novel by American writer Herman Melville. The book was published on the exact day of the novel's setting. Centered on the title character The Confidence Man portrays a group of steamboat passengers. Their interlocking stories are told as they travel the Mississippi River toward New Orleans. The narrative structure is reminiscent of The Canterbury Tales. 1392 Scholar Robert Milder notes Long mistaken for a flawed novel the book is now admired as a masterpiece of irony and control although it continues to resist interpretive consensus. **The Confidence** Herman Melville, 2020-03-12 We are delighted to publish this classic book as part of our extensive Classic Library collection. Long considered Melville's strangest novel *The Confidence Man* is a comic allegory aimed at the optimism and materialism of mid nineteenth century America. A shape shifting Confidence Man approaches passengers on a Mississippi River steamboat and winning over his not quite innocent victims with his charms urges each to trust in the cosmos in nature and even in human nature with predictable results. In Melville's time the book was such a failure he abandoned fiction writing for twenty years only in the twentieth century did critics celebrate its technical virtuosity wit comprehensive social vision and wry scepticism. At sunrise on a first of April there appeared suddenly as Manco Capac at the lake Titicaca a man in cream colors at the water side in the city of St Louis. His cheek was fair his chin downy his hair flaxen his hat a white fur one with a long fleecy nap. He had neither trunk valise carpet bag nor parcel. No porter followed him. He was unaccompanied by friends. From the shrugged shoulders titters whispers wonderings of the crowd it was plain that he was in the extremest sense of the word a stranger. In the same moment with his advent he stepped aboard the favorite steamer *Fidèle* on the point of starting for New Orleans. Stared at but unsaluted with the air of one neither courting nor shunning regard but evenly pursuing the path of duty lead it through solitudes or cities he held on his way along the lower deck until he chanced to come to a placard nigh the captain's office offering a reward for the capture of a mysterious impostor supposed to have recently arrived from the East quite an original genius in his vocation as would appear though wherein his originality consisted was not clearly given but what purported to be a careful description of his person followed
