friends desire to preserve some memories while attempting to erase others horror at acts of genocide and hope arising from dreams of survival In addition to annotated translations of the three memoirs the book includes two of Stojka s poems and an interview by Karin Berger editor of the original editions of Stojka s memoirs as well as color reproductions of several of her artworks and historical photographs An introduction contextualizes her works within Romani history and culture and a glossary informs the reader about the concentrationary universe Because the memoirs show how Stojka navigated male dominated postwar Austrian culture generally discriminatory to Roma and the patriarchal aspects of Romani culture itself the book is a contribution not only to Holocaust Studies but also to Austrian Studies Romani Studies and Women s and Gender Studies
