The Complete Novels of Mary Shelley Mary Shelley,2023-11-19 Mary Shelley s The Complete Novels of Mary Shelley is a collection of thought provoking and groundbreaking works that capture the essence of the Romantic movement Through her uniquely imaginative narratives Shelley delves into complex themes such as the consequences of playing God the nature of humanity and the pursuit of knowledge at any cost Her writing style is characterized by rich language vivid imagery and a deep exploration of philosophical ideas making her novels a timeless contribution to English literature Whether you are familiar with her most famous work Frankenstein or are new to her lesser known novels this collection offers a comprehensive look at Shelley s work and the societal concerns that shaped her writing Mary Shelley s ability to challenge societal norms and provoke introspection will leave readers captivated and inspired by her revolutionary storytelling The Complete Novels of Mary Shelley is a must read for those seeking to engage with thought provoking literature that continues to resonate with contemporary audiences **The Irrepressible Mary Jeune, Victorian Influencer** Amelia

Fletcher,2025-08-28 At the end of the 19th century Mary Jeune pronounced June was one of the most renowned and influential people in Britain ostensibly through her journalism on social and women s affairs and her uniquely diverse salon but also clandestinely through her connections with those in power Spanning 85 years from a bizarrely spartan upbringing in the Scottish Highlands to her death in 1931 this account of Jeune s life offers fresh views of well known figures such as Oscar Wilde Thomas Hardy Millicent Fawcett Randolph and Winston Churchill At the same time it contains a rogues gallery of eccentrics and mavericks who have since sunk like her into obscurity Behind an exterior indomitable enough to inspire Wilde s Lady Bracknell lay a far more approachable personality This book reveals the many dimensions and contradictions of a unique Victorian Mary Jeune had a finger in just about every pie of the time political social or cultural This biography will appeal to not only those interested in the period but to anyone who likes to be entertained by a well told story

Reforming Mary Beth Kreitzer,2004-03-18 Catholics and Protestants have since the earliest days of the Reformation held markedly different views about the Virgin Mary In Reforming Mary Beth Kreitzer examines the development of Lutheran views on this subject as expressed in 16th century Lutheran published sermons starting with the earliest of Luther s own Reformation sermons She shows that from the beginning Lutherans rejected much of the theology and piety that surrounded Mary in Catholicism especially her status as heavenly queen and intercessor with Christ They affirmed those orthodox teachings about Mary that related to Christ the Virgin s role as Theotokos the virgin birth and by extension Mary s purity or

perpetual virginity As time went on Lutheran preachers showed less interest in Mary as a topic and by the later part of the century showed an increasingly harsh and critical view of her These later sermons reveal a new willingness in opposition to received tradition to impute sin to Mary Kreitzer attributes this changed attitude to the increasing distance of Lutherans from their Catholic roots the logical results of theological changes in the Reformation and a perception of an increased threat of re catholicization Finally she shows Mary was pressed into service by preachers who endeavored to instruct the laity in both what to believe and how to live making a causal connection between being a good Christian and being a good citizen of society In this context Mary was used as a role model and was often promoted as an exemplar for females in ways that served to constrain and domesticate women placing them more firmly under male authority But despite the attempts by preachers to domesticate and mold her Kreitzer argues the Lutheran Mary remains a complex and paradoxical figure Mary, Mary: Quite the Contrary Joey Massang, 2025-04-10 If a soul loses her devotion to Mary she will immediately be full of darkness and that darkness of which the Holy Ghost says Thou hast appointed darkness and it is night in it shall the beasts of the woods go about This divine mother with her powerful prayers and assistance has obtained for us paradise if we place no obstacle to our entrance there Wherefore those who are servants of Mary and for whom Mary intercedes are as secure of paradise as if they were already there Our Lady wants me to go to two hospitals not to be cured but to suffer more for love of Our Lord and for sinners What were the origins of beliefs such as the ones above How do they compare against the revealed Word of God Who is Our Lady and how can we know if she is the Mary of the Bible Where do these revelations take the believer who believes these are of God These questions are examined in depth in Mary Mary Quite the Contrary with startling conclusions for the Marion follower **The Complete Works of Charles Lamb and Mary Lamb.
