David Michie, 2013-11-28 The Dalai Lama s cat is back older a bit wiser and as curious as ever What makes you purr Of all the questions in the world this is the most important Because no matter whether you are a playful kitten or sedentary senior whether you re a scrawny alley Tom or sleek coated uptown girl whatever your circumstances you just want to be happy Not the kind of happy that comes and goes like a can of flaked tuna but an enduring happiness The deep down happiness that makes you purr from the heart **The Dalai Lama's Cat and the Power of Meow** David Michie, 2015-06-16 If you ever doubted that your feline companion has her own inner life just watch what happens when she falls asleep and loses conscious control of her physical being a twitching of limbs a quivering of the jaw sometimes perhaps a snuffling noise or a meow Cats may indeed be capable of great mindfulness but we are thinking beings too In my own case unfortunately a being who thinks rather too much In the latest installment of the Dalai Lama s Cat series His Holiness s Cat HHC is on a mission to think less to experience more to live in the moment She soon learns the proper phrase for this being mindful or a concept better known to her as the power of meow What ensues is a journey to discover her own true nature to gain a deeper understanding of her mind and to experience life s greatest joy the here and now Throughout there are encounters with familiar inhabitants of Dharamsala as well as a whole new cast of characters a senior exec from one of Silicon Valley s most famous social media companies hint the name rhymes with litter the Pope s beloved dog who shares a shockingly similar title HHD His Holiness s Dog and a public health inspector who threatens to have our poor narrator banned from the Himalaya Book Caf In this follow up to the Dalai Lama s Cat and the Art of Purring readers escape to the enchanting and exotic world of the Dalai Lama s

monastery in the Himalayas and take a peek inside the mind of a delightfully imperfect creature on the path to enlightenment By accompanying HHC on her journey you will learn new ways to relate to your own mind slowing down finding peace and abiding in the boundless radiance and benevolence that is your own true nature **The Dalai Lama's Cat** David

Michie,2012-10-01 In the months that followed I watched His Holiness working on a new book I began to think that perhaps the time had come for me to turn my paws to a book of my own one that tells my own tale How I was rescued from a fate too grisly to contemplate to become constant companion to a man who is not only one of the world s greatest spiritual leaders and a Nobel Peace Prize laureate but who is also a dab hand with the can opener Not so much fly on the wall as cat on the sill this is the warmhearted tale of a small kitten rescued from the slums of New Delhi who finds herself in a beautiful sanctuary with sweeping views of the snow capped Himalayas In her exotic new home the Dalai Lama s cat encounters Hollywood stars Buddhist masters Ivy league professors famous philanthropists and a host of other people who come visiting His Holiness Each encounter offers a fresh insight into finding happiness and meaning in the midst of a life of busy ness and challenge Drawing us into her world with her adorable but all too flawed personality the Dalai Lama s cat discovers how instead of trying to change the world changing the way we experience the world is the key to true contentment Featuring a delightful cast of characters timeless Buddhist wisdom and His Holiness s compassion pervading every chapter The Dalai Lama s Cat is simply enchanting *The Dalai Lama's Cat and the Four Paws of Spiritual Success* David Michie,2019-11-19 The Dalai Lama

s Cat is back Latest title in the ever popular and bestselling series The Dalai Lama s Cat is back irreverent vain and delightfully insightful as ever When the Dalai Lama s inner circle is set the task of providing His Holiness with a book he can give his visitors an unexpected volunteer stretches out her paws The book is to summarise the four key elements of Tibetan Buddhism and importantly to communicate how it feels to be in the profoundly reassuring presence of His Holiness Who better to do this than his much loved feline Through encounters with celebrity visitors and her own intriguing adventures the Dalai Lama s Cat explains all four key themes not so much as ideas but as practices to be embodied Along the way she even gets a new title Therapy Cat If you have ever sought a summary of Tibetan Buddhist wisdom albeit from an unusual and whiskery source this may just be the book to get you purring **The Dalai Lama's Cat** David Michie,2021-11-30 Oh How

adorable I didn t know you had a cat she exclaimed I am always surprised how many people make this observation Why should His Holiness not have a cat If only she could speak continued the actress I m sure she d have such wisdom to share And so the seed was planted I began to think that perhaps the time had come for me to write a book of my own a book that would convey some of the wisdom I ve learned sitting not at the feet of the Dalai Lama but even closer on his lap A book that would tell my own tale how I was rescued from a fate too grisly to contemplate to become the constant companion of a man who is not only one of the world s greatest spiritual leaders and a Nobel Peace Prize Laureate but also a dab hand with a can opener Starving and pitiful a mud smeared kitten is rescued from the slums of New Delhi and transported to a life she could

have never imagined In a beautiful sanctuary overlooking the snow capped Himalayas she begins her new life as the Dalai Lama's cat Warmhearted irreverent and wise this cat of many names opens a window to the inner sanctum of life in Dharamsala A tiny spy observing the constant flow of private meetings between His Holiness and everyone from Hollywood celebrities to philanthropists to self help authors the Dalai Lama's cat provides us with insights on how to find happiness and meaning in a busy materialistic world Her story will put a smile on the face of anyone who has been blessed by the kneading paws and bountiful purring of a cat

The Power of Meow David Michie, 2015-06-16 Take a peek inside the mind of a delightfully imperfect creature on the path to enlightenment In the latest instalment of the Dalai Lama's Cat series readers escape to the enchanting and exotic world of the Dalai Lama's monastery in the Himalayas His Holiness's Cat HHC is on a mission to think less to experience more to live in the moment She soon learns the proper phrase for this being mindful or a concept better known to her as the power of meow What ensues is a journey to discover her own true nature to gain a deeper understanding of her mind and to experience life's greatest joy the here and now By accompanying HHC on her journey you will learn new ways to relate to your own mind slowing down finding peace and abiding in the boundless radiance and benevolence that is your own true nature

The Dalai Lama's Cat and the Claw of Attraction David Michie, 2023-11-14 The Dalai Lama regarded their flushed animated faces his forehead wrinkling The materialist approach he nodded Seeking to change what you believe to be entirely outside you It has many problems For example why must you constantly postpone your happiness India's Top Ten Social Influencers Under 30 were taken aback by this question Staring at him their eyes filled with consternation Postponing happiness was something they most definitely wanted no part of For example if our happiness depends on having the new diamante sunglasses he chuckled Or the perfect boyfriend he beamed from the girl dressed in crimson to the one in emerald green Or having ten million followers he nodded at the woman in the yellow sari What do we do until then If we are constantly yearning for material things that we don't have yet then our happiness is always around the corner Or at the top of the next mountain Why do you not wish to be happy here and now Without needing anything else Happy as I am In a chance encounter with India's Top Ten Social Influencers the Dalai Lama is asked to how to use the law of attraction to manifest abundance He points out that material wellbeing was never the goal of such practices as he begins to explain their true purpose It is a purpose that His Holiness's Cat goes on to explore with her usual warm hearted and wonky legged aplomb Is the world much more a projection of our mind than we suspect Can a few precious insights transform our reality In a drama of intimate revelations as well as panoramic visions of encounters with much loved friends along with intriguing newcomers the Dalai Lama's Cat comes to discover that The Claw of Attraction holds the key to a more sublime transcendence than she ever believed possible Stretch out your own talons dear reader and you may too
