Her Defender Lexy Timms, By USA Today Bestselling Author Lexy Timms Ethan Stark's security company is one of, if not the best. With his Special Forces background coupled with his family's resources, he's the perfect man for the job. He just wasn't prepared for the politician's daughter with a body that could make grown men weep and an attitude that puts his teeth on edge. Ethan has three rules: Never get personally involved. Never get blindsided. And never screw around. Ever. He's somehow managed to break all three rules, and now has to figure how to fix the mess he's in. With Diana missing and Ethan's team searching for her, the clock is ticking down. Except Diana isn't playing the game. Ethan thinks she's playing. The threat on the Logans is real and dangerous. Diana can't seem to get it through her pretty head that this is a game of life and death. Ethan hauls her off to a safe house, determined to keep this beautiful, infuriating woman out of harm's way. But being cooped up with Diana is more tempting than he thought, and soon Ethan finds himself spiraling into the abyss of Diana's eyes. Of her warm body against his. All the while the threat looms. Can Ethan keep her safe? Can he reconcile his feelings for her with a promise he made in his past? Or will the two of them collide like crashing waves and leave nothing but destruction in their wake.
