PARENT EXPECTATION LETTER

Dear Parents:

Welcome to Tigard Youth Football.

As a parent of a player with Tigard Youth Football (TYF), you will be expected to pay your registration fees by August 1st and pick up and return player equipment on scheduled dates.

Our volunteer expectations of parents are as follows:

1. Parents are expected to help with snacks on designated dates assigned by team parent. If your assigned time does not work for you, it is your responsibility to trade with someone on your team.
2. Parents will be asked to work at least one 2 hour shift in the concession stand during the season. If you are unable to work your scheduled time, it is your responsibility to trade or find a replacement.
3. In addition to your 2 hour concession stand shift, you may be asked to volunteer at least an additional 2 hours of volunteer time for your team. (i.e. weigh master, chain gang, play plotter, safety reporter or at jamboree event.)

The TYF board, coaches and team parents are all volunteers trying to make this a great program. So try and be patient when issues may arise.

I have read and understand the above Parent Expectation Letter.

The 1960s were a tumultuous period in U S history and the sporting world was not immune to the decade s upturn of tradition As war in Southeast Asia civil unrest at home and political assassinations rocked the nation professional football struggled to attract fans While some players fought for civil rights and others fought overseas the ideological divides behind the protests and riots in the streets spilled into the locker rooms and athletes increasingly brought their political beliefs into the sports world This history describes how a decade of social upheaval affected life on the gridiron and the personalities and events that shaped the game The debut of the Super Bowl soon to become a fixture of American culture marked a professional sport on the rise Increasingly lucrative television contracts and innovations in the filming and broadcasting of games expanded pro football s audiences An authoritarian old guard best represented by the revered Vince Lombardi began to give way as star players like Joe Namath commanded new levels of pay and power And at last all teams fielded African American players belatedly beginning the correction of the sport s greatest wrong *The Team the Titans Remember* Mark A. championship game and also links the 1971 Andrew Lewis High Wolverines to a lasting legacy which had begun in 1962 under legendary head Coach Eddie Joyce Now you can read the true and unaltered story Now this from Coach Foster Andrew Lewis a small southwest Virginia school located in Salem and nicknamed the Wolverines played and won against some of the largest schools in Virginia West Virginia Maryland North Carolina and Tennessee Today these schools would be classified in Virginia as 6A the largest of all six classifications During the 1971 season Andrew Lewis played 7 schools that had student enrollments over 2 000 while Lewis s enrollment was only 975 students Lewis was 12 1 that year its only loss to T C Williams Remember the Titans Game which had an enrollment of 5 000 students Between 1962 and 1971 Andrew Lewis won 2 state championships 62 64 and was runner up 3 times 66 67 and 71 as a member of the largest classification in Virginia Over that span of time considered as the best years of Coach Joyce the Wolverines compiled a record of 88 wins 15 losses and 2 ties Dale Foster *Pee Wee Football to the Pros* Lucinda Fowler,2013-03-25 This is an amazing story about my son Melvin Thaddeus Fowler Jr who became the center of his family s attention as the youngest child Several developmental stages will be shared from his birth as a four pound fourteen ounce nineteen inch baby to a 306 pound and six feet three tall man child This story is not just about Melvin but also about how a blended family of nine and several members of the community close family friends played crucial roles in developing the young man he has become today He is much more than a football player
